

# Dewing 21CCLC After School Program

Your child has the opportunity to apply for our 21st Century Community Learning Center after-school program. Our hope is that this program, along with your support at home, will help your child make significant progress during the school year. A Q & A session will be offered at the end of our Open House on Tuesday evening, September 10th. Parents are not obligated to attend, but you will have an opportunity to speak with us about the program.

Our mission is to provide enrichment, fitness and academic opportunities beyond the school day for the students at the Dewing School. Students will be immersed in an environment that celebrates them as individuals as they learn to develop the social and emotional skills necessary for health and success in school, as well as participate in service learning opportunities that enrich the lives of others.

The program will run from Monday through Thursday, with no after school classes on Friday. We will offer this program for three sessions throughout the school year. You will be required to apply/sign your child up for each session. Students who are already enrolled in a session will have first choice to enroll in the next session. **Please note that there is a one-week break between sessions for staff meetings and preparation.**
