

HEATH BROOK SCHOOL

PRINCIPAL'S UPDATE: SEPTEMBER 5TH, 2018

GR. 1 & 2 OPEN HOUSE:

Just a reminder - Open House for Grades 1 & 2 will take place tomorrow night, Thursday, Sept. 6th, at 6:00 pm (parents only). We hope to see you there!

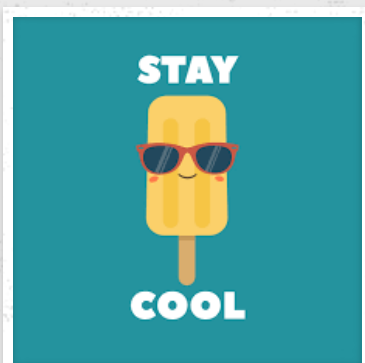

Here is the agenda for the night:

6:00-6:30: Information session 1 in homerooms

6:30-7:00: Information session 2 in homerooms

7:00-7:30: Presentations from Principal, School Nurse, PAC/SEPAC, Librarian in the Cafeteria (parents exit directly from Cafeteria)

WEATHERING THE HEAT:

Our staff and students have done a great job establishing routines and making friends in less than ideal weather conditions this past week! We truly appreciate your support, as our students have arrived well-hydrated and dressed in cool clothing each day!

The Heath Brook School has been working collaboratively with the Superintendent's office to evaluate building conditions until the heat has passed. Here are just a few steps we have taken to stay as cool as possible:

- Large industrial fans have been placed strategically in hallways to keep air flow moving
- Each homeroom has received box fans
- Students are encouraged to stay hydrated/drink water frequently over the course of the day
- Classrooms have been moved to cooler building locations
- Students and staff are utilizing our air-conditioned spaces throughout the building
- Physical education classes have been cancelled/held in cooler locations inside the building
- Recess routines have been adjusted based on air temperature and humidity levels

IMPORTANT INFORMATION NEEDED!

We would like to gently remind our families of critical information forms that need to be filled out routinely at the beginning of every school year. Please click on the following links to provide information for your student's health and safety!

Click Here: [Accident/Illness Form](#)

Click Here: [PreK-Gr.4 Student Handbook](#)

Click Here: [Student Handbook Sign Off Form](#)

MORNING DROP OFF UPDATE!

All our families and students have done a wonderful job following our routines and procedures for morning drop off!

Click [here](#) for a visual map of our morning drop off route!

For those of you who drive your child(ren) to school, we kindly ask that you remain in your vehicle and use the single file drop off line. When parents park, we worry about our families

crossing the moving line of traffic to bring their children across the parking lot.

If there are extenuating circumstances that require assistance, please park in the front of the school and come in through the main office or call us in advance!

Thanks for all your help getting our students to school safely!
