

Tape 1 Box Top on each of the spaces for a total of 10. For each submission of 10 Box Tops, your child will receive 1 entry into their grade level drawing for a prize. Please **DO NOT** staple the Box Top onto the sheet. You may place loose Box Tops in a baggie with the number of Box Tops written on the baggie. Please cut off the student name, teacher name, and room number from this sheet and place it inside the baggie so that your child and his/her class will get credit.
