Learn to Skate

Tewksbury Youth Skating Association is excited to offer your child a Learn to Skate Program! The program is at Janas rink. The program starts on October 21 and will run until mid-March. The cost is only \$200. **Boys and girls ages 4 and over are welcome to attend.** We will have plenty of volunteers, including coaches and high school students assisting with the sessions.

Our sessions will provide your child the opportunity to learn the **basic skills of skating while having fun.** Your child will also benefit from Learn to Skate if they are interested in playing hockey or figure skating in the future. The program is split between two hours.

- Session One: Saturdays at 4:50 (skating basics for beginners, introduction to ice games and activities)
- Session Two: Saturdays at 5:50 (advancing skating skills with a fun, basic introduction to hockey)

(Start times will change to 4:20 & 5:20 near the end of November)

We hope you take advantage of this great opportunity to introduce your child to skating activities. To register, please visit <http://tysaredmen.com/> and click on the **Learn to Skate** tab. There is a **Register** link on that page.

If you have any questions, please email Chris at learntoskate@tysaredmen.com
