May 18, 2018

Dear Dewing School Families,

It's with equal parts sadness and excitement that I'm announcing my retirement at the end of this school year. I've been in the Tewksbury Public Schools for more than 33 years and have been here at the Dewing for the past seven years. I thoroughly enjoy the work I've been doing leading an early learning center and have loved working with you and your children.

Since I've been at the Dewing, I've been able to help create a new library and to welcome the special education preschool program into our building. We've also begun to look at social emotional learning in our school in that time. For me, there is no greater joy than helping young children grow and learn!

In the future, I hope to still do some work in early childhood education. I'm also looking forward watching my grandchildren grow and to many new adventures in my hometown. I wish you all the best. It's been an honor to help start your children on their path through public education.

Sincerely,

Jan H. Fuller  
Assistant Principal

### *District Strategy:*

*The Tewksbury Public Schools community believes that our educational program will encompass a 21st century teaching and learning approach that promotes consistent growth among our students and staff to achieve academic, social, and emotional success for all students.*
