

Tewksbury Public Schools, Integrated Preschool Free Preschool Screening

October 26, 2018 (by appointment)

Tewksbury Integrated Preschool is pleased to offer free preschool screening for children who are of preschool age.

If you are curious about your child's development and whether s/he is meeting developmental milestones, this is a great opportunity to receive some feedback. Through use of the DIAL-4 screening tool, our early childhood educators review the following areas: cognition, communication and/or motor development.

If you are interested in having your child participate, please contact:
