

Dewing 21CCLC After School Program

The 21st Century Community Learning Center grant is based on research that says children who attend for more hours receive a greater benefit from the rewards the program offers. For that reason, state guidelines indicate that children must be registered and enrolled for a minimum of 150 hours during the school year. (our program plan is to run for 300+ hours.)

Registration / enrollment 1920 - Session 1

Attendance in the Dewing 21CCLC After School Program is important. Students who are absent more than three times during a session may lose their spot to another student who is currently on the waiting list. In the event of illness, special consideration may be given in regards to this attendance policy.

* I understand that if my child has more than three absences from the program, my child may lose his or her spot in the program. I will make every effort to schedule appointments so that they do not interfere with the after school program.

_____ Please initial to indicate you have read and you understand this policy.

Participation in the program is a privilege. Students are expected to be respectful, participate, follow the directions of their teachers and demonstrate exemplary behavior at all times. Students who are unable to maintain good habits of behavior may be asked to leave the program.

* I understand that if my child experiences habitual problems with self-discipline, or is unable to maintain good habits of behavior, his/her privilege of attending the After-School Program may be denied.
