Tewksbury Youth Skating Association is excited to offer your child a **Learn to Skate Program!** The program is at Janas rink in Lowell, starting **February 1st** and running every Saturday until March 21st. The cost is only \$75. **Boys and Girls ages 4 and over are welcome to attend.** We will have plenty of volunteers, including coaches and high school students assisting with the program.

Our sessions will provide your child the opportunity to **learn the basic skills of skating while having fun.** Your child will also benefit from Learn to Skate if they are interested in playing hockey or figure skating in the future. The first session will be for beginners. The second session is for those who are comfortable on skates and would like to explore the sport of hockey (though this is not a requirement).

- Session One: **Saturdays at 4:30pm, skating basics** (for beginners, ice games and activities)
- Session Two: **Saturdays at 5:30pm, advancing skating** (fun skills, basic intro to hockey)

All participants should report to the first session for evaluation. Skaters will be then be assigned based on skill level. If you have any questions, please email Greg at learntoskate@tysahockey.com
