Our goal for autism is to bring acceptance to our community and that all starts with you! The theme for this poster contest is "Where's Your Halo?" Some topics for your drawing could be autism acceptance, friendship, helping others, etc.

Guidelines:

- ★ Your poster should demonstrate your take on the message and feel free to be creative!
- ★ Contestants are encouraged to use colors that often represent autism: red, blue, and yellow, and are welcome to take inspiration from the logo shown above.
- ★ Each poster should be no larger than 16x20 inches. Paper submissions only! (However, if you create a poster digitally, and then print it out, that is okay)
- ★ Posters must be submitted to the Tewksbury Public Library (300 Chandler Street, Tewksbury, MA 01876) by March 31st, 2020. Your name, grade and telephone number must be printed legibly on the back of your piece.
