## ***FUNDRAISING AND CONTRIBUTIONS- 2008/2009***

The PAC would like to give a huge Thank You to everyone who has helped with fundraising efforts for TMHS! Both the Annual AppleFest Fair and the first Annual Team Trivia Night, were very successful.

All of the hard worked payed off as we were able to make significant contributions. In the spring of 08 fans were purchased for every classroom in the school (some classrooms received 2 fans). The fans were very much appreciated by the staff and students during the hot months of May, June, August and even September! We were also able to purchase a Smart Board that is being housed in the Media Center.

Scholarships will once again be awarded to 2009 graduating seniors (if you have a senior, be sure they apply through the guidance office).

The PAC is sponsoring a program by Cara Filler which will be presented to the senior class on March 5 and a program by Travis Roy on April 15<sup>th</sup> which will be presented to the Freshman and Sophomore classes. Additionally, the PAC will be sponsoring a field trip for the Junior class to attend a college fair at the Boston Expo Center this spring on either April 7<sup>th</sup> or 8<sup>th</sup> (official date to be determined). Those interested should watch for details from the guidance office. This trip will be open to juniors and their parents and will take place in the evening.

\$1,000 was recently donated toward classroom supplies such as dryboard erasers and markers, colored pencils, calculators and other general supplies. Teachers will be able to get this supplies in their classrooms soon.

The Adopt a Classroom Program has been officially launched at TMHS. The PAC will give \$30.00 to the first 30 teachers that sign on. Many parents have logged on to make donations to the classrooms already. With budget constraints growing tighter by the day these donations are very much appreciated. Thanks to all who have made a donation! If you are interested in making a donation or checking out the website go to: [www. Adoptaclassroom.org](http://www.Adoptaclassroom.org).

If you would like to find out more about the PAC, join us on the last Monday of the month at 7pm in the Guidance office for our monthly meeting. Please check the web site under PAC for exact dates.
