

FRESHMAN ORIENTATION BUS ROUTES

Please find Bus Routes for Freshman Orientation Day below. These buses are being offered for this day only, and are not the Bus Routes that students will be riding during the School Year. Start times are given, so that you may estimate when you need to be at your particular Bus Stop. If no one is at any given Bus Stop, the driver will not stop, so please arrive at your stop early enough to catch the bus and make yourself visible to the driver, as the bus approaches.
