
Tewksbury Memorial High School **Principal's Newsletter March 2017**

From the Desk of the Principal - *Kristen S. Vogel, M.A.T.*

Every month in the newsletter we showcase the accomplishments of our students whether it is in the classroom, on the stage, or on the athletic field. However, the month of March seems to be a time when our students shine, in particular! Seven of our DECA students were recognized for their terrific presentations at the Regional Competition in Boston. In fact, eight of our DECA students have qualified for the national competition at the end of April in Anaheim, CA. We also inducted 72 students into National Honor Society where they were recognized for their academics, leadership, character and community service. This year our National Honor Society chapter participated in more community service than has ever been completed in the past! The Academic Decathlon team qualified in February for the state meet on March 4. This year has been the best year for the Academic Decathlon team, earning 17 medals! Our Science Bowl team that was formed last year by students competed at UCONN on March 4 at the Regional National Science Bowl Competition against students from 78 other schools. The 14 member team earned a win in Round 3 of the competition! In terms of athletics, all of our winter teams competed in postseason play this year! Our girls' hockey team made it all the way to the Division 2 state semi-final game where they lost to Notre Dame Academy. Blake Hiltz'18 won the Division 2 state championship in wrestling and Sam Beatrice'17 won a silver medal at the state level for balance beam in gymnastics. The indoor track team finished fourth overall in the All State Competition where the 4x400 relay team was All State Champions and Lauren Polimeno'17 won the State Pentathlon Championship.

I hope you will take the time to read more below about all the wonderful accomplishments of our students!

Dr. Seuss' Birthday- Read Across America

These are the TMHS students who volunteered as readers at the Dewing School for Read Across America day! Terry Gerrish, the Principal of the Dewing School, said that our students, "were warm, engaging, kind, funny, and brought tremendous sunshine to our Dewing kids. From preschool to second grade, there was reading and sharing and fun times."

Nominated Students for March Hats Off Award

Congratulations to Ashley Cronin'17 and Emily Sessa'17 for the month of March. These two outstanding senior students were nominated by faculty & staff and were honored at a luncheon sponsored by the Tewksbury Rotary

Club. Each month, two of our students are nominated for this award. Hats Off is a joint initiative of the Tewksbury Rotary Club and Tewksbury Memorial High School. The award recognizes those students who

have distinguished themselves academically, have contributed to the co-curricular program at the high school, and have been actively involved in the community. Keep up the great work!

TMHS Happenings

National Honor Society Induction Ceremony

On March 13, 72 juniors and seniors were inducted into the William DeGregorio Chapter of National Honor Society. We also celebrated our current 73 senior members of National Honor Society. Our current NHS members participated in the following community service projects throughout the year: Town Clean Up Day, the Bike Rodeo, building Trahan School playground, volunteered at Trahan Ice Cream Social, Teacher Moving In Day, Autism Speaks Walk, Heath Brook Holiday, Valentines for Veterans, and volunteered for our Color Guard competition.

Regional Competition of DECA

On March 9-11, 32 members of the TMHS DECA program attended the Massachusetts State Career Development Conference. Of those 32 students, five were award winners and qualifiers along with three additional students, to be announced later. They will attend the DECA International Career Development Conference in Anaheim, California from April 25-30 and will be competing among 18,000 students from across the world! Mr. Sullivan would like to thank all of the teachers, administrators and staff that helped prepare these students and contributed to their success! Although this is a business conference, what students have learned across the curriculum has helped prepare them to become well rounded students who are able to apply their classroom learning to real world situations. The following students received recognition at this conference:

Matthew McLaughlin'17 & Stephen Long'17 - 3rd Place, Financial Analysis Team Decision Making Event

Abby Cook'17 & Patrick Hunt'18 - 5th Place, Buying & Merchandising Team Decision Making Event

Akhil Bagul'17 - 5th Place, Principles of Finance

Rachel Bradley'17 - Top 10, Community Service Project

Samantha Surowiec'17 - Top 10, Principles of Business Management & Administration

International Club News

As a service to our local community, International Club members volunteered their time to serve breakfast at Cor Unum Meal Center in Lawrence on March 12. Students were at the center at 5:30 a.m. on a very cold Sunday morning (It was also when daylight saving time began!). Our students served all who came with great respect and a smile.

International Club Mission Statement

The primary goal of the International Club at TMHS is to serve the community, locally as well as globally. Our activities help provide those in need with food, clothing, shoes, and medical assistance in order to improve their quality of life.

Academic Decathlon

For the third year in a row the TMHS Academic Decathlon team proudly represented our school at the Massachusetts Academic Decathlon State Finals held at MIT on March 4. The TMHS team has prepared all year to face off against fifteen teams in ten disciplines including a series of tests, an essay, an interview, and a speech.

Congratulations to Anagha Late'17 for earning an Honorable Mention for Small School Math at the Varsity level.

Congratulations to all TMHS Academic Decathlon members, who worked toward making the 2016-2017 season the best on record. Our students earned 17 medals, facing fierce competition throughout the year.

We will be graduating many of our members this year, so if you are interested in joining Academic Decathlon, please stop by Room B208 or email Ms. Kelleher at mjkelleher@tewksbury.k12.ma.us. TMHS National Science Bowl Team

On Saturday, March 4, the TMHS Science Bowl Team competed in their own “March Madness” competition at the University of Connecticut School of Engineering against 48 teams from high schools in the New England region. The National Science Bowl is a Jeopardy style competition sponsored by the U.S. Department of Energy where students answer questions in biology, earth and space science, chemistry, physics, and math. This is the second year that the TMHS Science Bowl Team has competed at the regional competition. Once again, team members represented Tewksbury with fierce competitiveness, considerable gamesmanship, and extraordinary sportsmanship. Team members kept all their matches close and exciting with a big win in round 3, talked to UCONN engineering students about possible careers in engineering, and especially enjoyed the ice cream made fresh on campus produced from dairy cows in the agricultural program. It was a long day (left the school at 5:00 a.m. and back at 6:30 p.m.) but we made lots of new friends, worked hard, and had a great time...we’re looking forward to next year’s competition!!

Fine & Performing Arts Department News

The Tewksbury Memorial High School Theater Company performed their one act play *Game of Tiaras* at the Massachusetts Educational Theater Guild Drama Festival in Chelmsford High School on March 4, 2017. Congratulations to Brienne O'Rourke '18 for winning an acting award and Rae Sarno '17 for winning a props award. The Theater Company has been very busy preparing for their much awaited upcoming musical *Footloose*. Please join us for what will truly be a fun production.

The Music in Our Schools Festival held on Sunday, March 12 was a great success. Special thanks to Ms. Ware, the band, and chorus for participating. Students and parents enjoyed an afternoon of performances by music students from the Ryan, Wynn, and high school. Ms. Ware and Mr. Olevsky are looking forward to making this an annual district-wide event.

TMHS Affinity Winter Color Guard has competed throughout February and March in the New England Scholastic Band Association Winter Guard circuit. They have enjoyed success throughout the season, including a first place finish at the Dover High School Competition and multiple second place finishes throughout the season. The team is looking forward to competing at the NESBA Winter Color Guard Championships on April 1 at the DCU Center in Worcester. Best of luck Affinity!

Thank you to the Painting I classes, the Painting II class, and the Design class for creating awesome installation art pieces that will be used as decorations for The North Street School Candy Land Dance that will be held March 30 for our elementary aged friends. The work will also be on display at the District Art Show in May. Don't forget to mark your calendars for this year's show.

Yearbook Advisor

Kindness is Easy

Being kind in small ways shows others that you care and it's simple. Encourage teens to show kindness throughout the day. For instance, they should carry the lunch tray for a classmate on crutches. Or they might give a quarter to the cashier if the person in front of them comes up short.
