PARENTAL REFUSAL

for Student Photographs

Reporters from area television stations and news media, as well as those representing school groups, frequently come to TMHS to film and photograph the programs, services and activities of the Tewksbury Public Schools. The coverage may include filming and photographing students in the school setting. If you **do not** want your son's or daughter's picture to appear in these media, please sign the lower portion of this form and return to your son's or daughter's A Block teacher.
