TMHS
CLUBS & ACTIVITIES
2026-2027

Students are encouraged to participate in the extracurricular activities offered by TMHS. All students participating in a club or activity must register on Community Pass. A student must pay a user fee of $75 per club, with an Individual Student cap of $300 per year, and a Family Cap of $450.00 per year. You may pay the user fee online through Community Pass at *https://register.communitypass.net* with a credit card or by using your checking account. Students will not be allowed to participate in a club until the fee has been paid. All Tewksbury families have an account with Community Pass.

ACADEMIC

Anime Club - Joining the Anime Club is a great way to meet others who share your passion for anime and Japanese culture. It offers a fun, welcoming space to discuss shows, discover new series, and even explore Anime art. Being part of the club can also boost your creativity and help you build lasting friendships. ***Advisor -Mr. Marc Demers mdemers@tewksbury.k12.ma.us Rm A303***

Book Discussion Club **–** This club is a great way for students to connect to each other through their love of books. There is no assigned reading each week; students simply come together to discuss book prompts, share reading updates, make future reading goals, and much more. ***Advisor – Ms. Ashley Canavan acanavan@tewksbury.k12.ma.us Rm A201***

DECA – Prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe. All TMHS students may participate in this club, but is more directed to students enrolled in any business, computer, economics or government law courses. This club participates in school and community volunteer activities, to include the annual TMHS DECA Fashion Show. Students will have the opportunity to participate in real world and practical applications of real-life business situations at district, state, and international conferences throughout the school year. **Advisor – Mr. James Sullivan *jsullivan@tewksbury.k12.ma.us Rm B107***

FIRST Robotics Team 1474 – The FIRST Robotics program combines the excitement of sports with the rigors of science and technology creating “The Ultimate Sport for the Mind”. The team would describe this as “the hardest fun you’ll ever have”. Participation is open to all students and provides hands-on experience in solving real world challenges and exposes students to teamwork, leadership, business management, mechanics, CAD, fabrication, electronics, software programming, social media, graphic design, web site management, financial management and project management. With the help of mentors from local businesses, students design and build a robot to compete in the FIRST Robotics Competition. The team has a flexible schedule and no tech or robotics experience is required. FIRST is more than robots, it’s an opportunity to learn life skills, build confidence, develop expertise and define a future. For more information, see https://www.firstinspires.org/robotics/frc. **Advisor – Mr. Victor Impink *Rm A111***
