

John W. Wynn Middle School PAC

In an effort to continue our "green" initiative at the Wynn Middle School, the PAC would like to implement email communication with our Wynn parents and guardians. By joining this email distribution the benefits will be the following:

- ☺ More efficient communication about what is happening at Wynn
- ☺ Less paper at home
- ☺ Less energy and paper used at school
- ☺ A proactive way to inform your household about events and initiatives
- ☺ Receive notice reminders so you can put them on the calendar right away

By joining this email distribution, your address will be kept confidential, and will NOT generate spam to your inbox. All email addresses will be administrated by a PAC member and will be placed on the Wynn email account.

Please sign-up for the eMail Connection by sending a message to our PAC email address at wynnpac@gmail.com. You may send more than one address to be added if you wish.

Thanks for participating!

If you have any questions, please contact Maura Rauseo at (978) 851-7545 or email your questions to wynnpac@gmail.com
