

Wynn STEM Club

Informational Meeting on
Wednesday, September 19

Do you like using Science,
Technology, Engineering and
Math to build things?

Would you like to use these skills to solve real
world 21st century problems?

Come join the Wynn STEM Club!!

Some potential planned builds:

- Design a Rocket Launch
- Build a Hurricane Proof House
- Design a device to clean the ocean
- Design a roller coaster

\$30 Activity Fee to join
Complete Form on back and return with Payment ASAP
First project is scheduled to start on
Wednesday September 26 in Room 101

_____ Please check here if your family has applied for Free or Reduced Price Meals through the John W. Wynn Middle School.

The activities/athletic user fee must be paid or a waiver granted before a student participates in the team's first contest or the activities/clubs first function. Please make checks payable to "Town of Tewksbury". If you have any questions, please call the school office at 978-640-7846.

Coaches and advisors will collect the user fees from the participants (all levels) and submit the checks/money orders prior to the activity commencing.

Advisors of all co-curricular teams, clubs and activity-oriented groups will collect the user fees from their participants and submit the checks/money orders and group roster to the Wynn Middle School's main office prior to the activity commencing.

Club/Activity/Athletic user fee must be returned with this form to the respective advisor/coach

*Payment must be made by check, bank check, or money order - cash is NOT accepted.
