RECYCLE THAT

Donate your unwanted books and clothing now in our purple and yellow bin at school! The bin will accept books, DVDs, used clothing in any condition, linens and clothing accessories. Good condition items are repurposed and resold, lesser condition items

are turned into industrial rags and filling material. Please no encyclopedias or college text books. Lets earn money for our school and keep these items out of landfills!

Recycle That Bins/ **YELLOW** and **PURPLE** bins –UPDATE Did you know that you can donate ripped, stained and worn out linens and clothing in our bins? Grab all of those socks with holes and put them in a bag and place them in the **YELLOW AND PURPLE** bins at school. The fabric is shredded and made into industrial rags, and our schools get the money!

PAPER RETRIEVER

The Ryan School has two Paper Retriever bins. Bring your newspapers, office paper and catalogs to be recycled. We receive money for this paper and the proceeds go directly to the Ryan School arts and enrichment programming. Please no phone books.

Paper Retriever/ **YELLOW AND GREEN** Bins-UPDATE These bins now accept **FLATTENED CARDBOARD**. Please do not put any paper in plastic bags. Save it in **PAPER** bags and bring to the **YELLOW AND GREEN** bins at school and our schools get the money!

AMAZON

Amazon has a shopping program that benefits non-profits and the Ryan School PAC is now registered. It's called Amazon Smile and will donate 0.5% of the purchase price of eligible products to our PAC. If you shop on [Amazon.com](https://www.amazon.com), go to smile.amazon.com to designate the "John Ryan School PAC" as your school. Another great way to earn **FREE** money for our school and kids.

COMMUNITY NEWS

"RUN FOR THE ROSE 5K"

The road race/walk is named "Run for the Rose 5K" and will be held at TMHS on Sunday, October 15th, 2017. The race is named after Sadie Rose who is a sophomore at TMHS. Sadie Rose missed most of 6th grade at the Ryan and a lot of 8th at the Wynn due to her conditions. After many years at Boston Children's Hospital we have a team of doctors from the Pain Clinic at Children's to help our daughter live a normal life. I told her team of Doctors we would raise one million dollars for Boston Children's Hospital Pain Clinic in appreciation of their relentless research and support through some of the hardest years of Sadie's life. In short, Sadie Rose went from not being able to move to running track for TMHS. The road race is one of our fundraisers that

hopefully will be a success and carry on year after year. See attachment for more details.
