## RECYCLE THAT

Donate your unwanted books and clothing now in our purple and yellow bin at school! The bin will accept books, DVDs, used clothing in any condition, linens and clothing accessories. Good condition items are re-purposed and resold, lesser condition items are turned into industrial rags and filling material. Please no encyclopedias or college text books. Lets earn money for our school and keep these items out of landfills!

Recycle That Bins/ **YELLOW** and **PURPLE** bins –UPDATE Did you know that you can donate ripped, stained and worn out linens and clothing in our bins? Grab all of those socks with holes and put them in a bag and place them in the YELLOW AND PURPLE bins at school. The fabric is shredded and made into industrial rags, and our schools get the money!

## PAPER RETRIEVER

The Ryan School has two Paper Retriever bins. Bring your newspapers, office paper and catalogs to be recycled. We receive money for this paper and the proceeds go directly to the Ryan School arts and enrichment programming. Please no phone books.

Paper Retriever/ **YELLOW** AND **GREEN** Bins-UPDATE These bins now accept **FLATTENED CARDBOARD**. Please do not put any paper in plastic bags. Save it in PAPER bags and bring to the YELLOW AND GREEN bins at school and our schools get the money!

## AMAZON

Amazon has a shopping program that benefits non-profits and the Ryan School PAC is now registered. It's called Amazon Smile and will donate 0.5% of the purchase price of eligible products to our PAC. If you shop on [Amazon.com](https://www.amazon.com), go to [smile.amazon.com](https://smile.amazon.com) to designate the "John Ryan School PAC" as your school. Another great way to earn FREE money for our school and kids.

## STOP AND SHOP A+

Join the Stop and Shop A+ Program and earn money for our schools! Register your Stop and Shop card and designate two schools of your choice- Dewing, North, Ryan- and every dollar you spend earns points for us to get money. Sign up your family members and co-workers. It costs nothing and does not affect gas rewards. Even if you stop in once and a while, your purchase helps us. We have earned at least \$1,000 per school per year with this program!
