RYAN SCHOOL MISSION STATEMENT

The mission of the John F. Ryan School is to utilize the resources provided by the district to maximize the educational benefits for all students. Our purpose is to promote an active learning atmosphere that encourages student participation, school/parent/community partnerships, and team building. This collaboration inspires students to become successful lifelong learners who possess higher order thinking skills.

RYAN SCHOOL MOTTO

*Work hard. Be kind. Anything is “paws”-ible.
Woof!*

This student handbook contains information, rules, and regulations pertaining to the life of a student at the John F. Ryan Elementary School. Students and their parents/guardians are responsible for reading and understanding the rules and policies of this school.

As an upper elementary school of grades 5 and 6, we recognize the unique needs of students in these grades and strive to build strong academic teams, a wide range of extracurricular activities, and a place where cooperation and acceptance are the norm. The expectations contained within this handbook are designed to support our students as they grow and learn academically, socially and emotionally.

We are excited for our students and families to enjoy in all that our school has to offer.

Welcome to the Ryan School!

GENERAL NOTIFICATION: FAILURE TO COMPLY WITH ANY OF THE HANDBOOK REGULATIONS AS WELL AS WITH OTHER ACCEPTABLE BEHAVIOR NOT LISTED HEREIN MAY RESULT IN DISCIPLINARY CONSEQUENCES.

STUDENTS' RIGHTS AND RESPONSIBILITIES

Our students are active learners in meeting our school's goals. The following outlines the expectations our students should have of their school and its staff. It also lists the responsibilities that our students should have toward their school, its staff, and their community as included in School Committee Regulation JI5131.

Rights

The best possible educational opportunities

A staff which is sensitive and responsive to their individual needs

Fair and just treatment from other students and staff

A safe, clean, non-threatening environment

The right to hear only appropriate language

Responsibilities

Sustained effort to complete assigned lessons, including assignments missed because of absence, and asking for help from teacher when something is not understood

Regular and punctual attendance, and remaining on school grounds during the entire school day

Respect for themselves, the rights of others, the staff and school property

Behavior which will be a credit to themselves, their family, their school, and community, i.e. conformation to school rules at all times, during all school related activities

Honesty, courtesy, appropriate language and appropriate dress

PARENT-SCHOOL PARTNERSHIP

Parents/guardians are extremely important in the educational process, especially at the Ryan School. Working with your student and the school will help to ensure the best possible

educational experience for him/her. Being supportive, providing a quiet place to study, checking the work of the student, and communicating with teachers are ways in which a parent can aid in his/her child's success. Sharing information enables us to better meet the needs of the student.

During the school year there are several scheduled occasions for parent/guardian and teacher interaction (see school calendar). The first is an open house, 6:30-8:30 PM, which provides parents/guardians the experience of following their sons' and daughters' schedules while each teacher explains the course outcomes and requirements along with specific classroom expectations. The remaining meetings are designated for parent/guardian and teacher conferences to allow the parent/guardian the opportunity to confer with faculty members and administrators concerning all aspects of the school's programs and the student's progress. Conference evenings are typically scheduled from 6:30-8:30 PM. Parents will be able to make individual appointments.

Parents may request a conference at any time by contacting the main office at (978) 640-7880.

Parents are encouraged to join such groups as the Parent Advisory Council and the School Council to help with support and direction. We welcome your involvement.

ACADEMIC INFORMATION

PROGRESS REPORTS

- All students have access to their grades, assignments, and attendance records through the online **Aspen Student Data Portal**.
- Parents/guardians will be notified at midterm to access the Aspen Portal for their student's midterm grades. A separate notification will be sent to parents/guardians of students who are averaging a seventy or below in a course.

REPORT CARDS

Report cards will be issued to the student at the end of each marking term. End-of-the-year report cards will be mailed home.

GRADE CONVERSION TABLE

A+ = 97 to 100	C = 73 to 76
A = 93 to 96	C- = 70 to 72
A- = 90 to 92	D+= 67 to 69
B+ = 87 to 89	D = 63 to 66
B = 83 to 86	D- = 60 to 62
B- = 80 to 82	F = 59 and below

C+ = 77 to 79

Students receive grades in Effort and Behavior on a scale of 1 to 4. A grade of 4 is the highest and 1 is the lowest.

EXTRA HELP

Students should seek extra help from a teacher if they are experiencing difficulty in the subject area or if they have been absent. Students should speak with the teacher and schedule an extra help session for before or after school according to the teacher's scheduled extra help time.

Transportation is the responsibility of the parent/guardian. Late buses may be available, and if so, a late bus schedule will be published on our website.

A teacher may request a student to stay before or after school if it is apparent that the student is having difficulty with his/her work. This is not to be thought of as a punishment, but as a desire by the teacher to help the student make necessary progress.

HOMEWORK POLICY

Teachers assign homework on a regular basis and in all areas of the curriculum. The objectives of homework are:

- To help students develop independent work study habits.
- To reinforce learning that has taken place in school.
- To increase potential for home/school communication.
- To increase opportunities for enrichment activities.
- To correlate school learning with outside interest.
- To develop within each student the responsibility for completing and returning homework assignments.

ROLE OF THE SCHOOL/TEACHER

The teacher will:

- Assign on a consistent basis homework which may include written assignments, reading assignments, scientific experiments or other projects that reinforce a student's understanding of the curriculum.
- Assign homework to all students geared to the individual.
- Ensure that students understand the homework assignments.
- Review students' homework in a timely manner.
- Consider homework as a factor in the calculation of the student's semester grade.
- Ensure that no class time is allocated for the completion of homework.

ROLE OF THE STUDENT

The student should:

- Ask the teacher to clarify any assignment that is unclear.
- Write down all assignments in his/her agenda.

- Complete all assignments within the time-frame given.
- Let parent/guardian know what the homework is and ask them for assistance whenever needed.

ROLE OF THE PARENT/GUARDIAN

The parent/guardian should:

- Provide the student a consistent time and a suitable place for study.
- Review homework with the student to monitor its completion and the student's understanding of the work completed.
- Monitor agenda to ensure that homework has been written in on a daily basis and completed.
- Communicate with teacher(s) whenever the student appears to have difficulty with homework or when clarification is needed.

TIME GUIDELINES FOR HOMEWORK

Grades 5-6: 45 to 75 minutes per day

HOMEWORK REQUESTS

When a student is out of school for two or more consecutive days, parents/guardians can telephone **640-7880** before 8:30am to request homework assignments. Homework will be available at the office one-half hour prior to the end of school. It is helpful for students to have a classmate obtain assignments for shorter absences. (Please note: many of your student's curriculum workbooks and textbooks are available online for home use.)

MAKEUP WORK

When a student is absent, he/she is responsible for making up the work missed. The student must meet with the teacher to schedule make-up work missed during the absence. Tests/quizzes will be scheduled at the convenience of the teacher. All makeup work should be completed within a period equal to the number of days absent, plus one.

If a student receives a school suspension, it is the student's responsibility to make up missed work or tests within a reasonable number of days (Reasonable number of days will be equal to the number of days of the suspension, plus one).

HONOR ROLL

The John F. Ryan School is pleased to acknowledge two levels of achievement earned by students.

- The first area of recognition is comprised of students who have attained all A^s and 4^s and 3^s in all subject areas. Those meeting this requirement have earned *High Academic Honors*.

- The second area of recognition consists of students who have attained all A^s, B^s, and 4^s and 3^s in all subject areas. Those meeting this requirement have earned *Academic Honors*.

CHEATING AND PLAGIARISM

"Plagiarism is passing off a source of information, ideas or words as your own by omitting to acknowledge the source - an act of lying, cheating and stealing." (Harvey, Gordon. Writing with Sources: a guide for Harvard Students, Hacket Publishing Company, Inc., Indianapolis, Cambridge, 1998). Cheating and plagiarism undermine the basic relationship of trust between a student and teacher. Cheating and plagiarism prevent the proper evaluation of a student's work and detract from the achievement of all students in the class. They are among the most serious offenses a student can commit. Any cheating infractions including plagiarism may be brought to the attention of Guidance and Administration.

Students who are found cheating on a test or assignment may receive a grade of zero (0) for that assignment which cannot be made up. The teacher will inform the parent/guardian of the incident and detention may be assigned. If a student is caught copying another student's work with the second student's consent, the second student will receive the same consequence.

STUDENT ACTIVITIES INFORMATION

Students are encouraged to participate in extracurricular activities offered at the Ryan School. All students participating in clubs/activities are encouraged to register at Community Pass. Late buses may be available, and if so, a late bus schedule will be published on our website.

In order to participate in Clubs/Activities, a student must pay a user fee of \$30 per club. At the Ryan School, there is a \$60 cap per student and a \$120 cap per family. Activities can be joined at no cost once the cap has been reached. User fees can be paid using Community Pass. (<https://register.communitypass.net/reg/index.cfm>)

Clubs and activities vary from year to year. The following is a list of clubs that have run in recent years:

Art Club	Ryan Ringers
Basketball Club	Kindness Club
Drama Club	Ski Club
Dance Club	Student Ambassadors

STUDENT CONDUCT

EXPECTATIONS FOR STUDENTS

Students are expected to behave in ways that facilitate their and others' intellectual, emotional, social and physical well-being. This includes being in class on time, having all required materials, and completing all work on time and at the required standards. Any behavior that jeopardizes the safety or self-esteem of others or interferes with the teaching/learning process will not be tolerated. Any discipline actions taken by the administration and/or staff are confidential and will not be shared with anyone other than the student's parents/guardians and/or their designee.

You are responsible for the following:

- **Doing Quality Work:** do your best each day to complete assigned lessons, including homework and assignments missed because of absence;
- **Knowing School Rules:** learn our school's Code of Conduct and respect the adults who have a duty to enforce it;
- **Regular Attendance:** arrive on time; remain on school grounds the whole school day; don't leave without permission; bring a note from your parents (or guardian) explaining any absence to the satisfaction of your homeroom teacher;

This Code of Conduct lets you and your parents/guardians know what to expect when disciplinary problems arise during the school day. As a student, you must do your part to make the most of the opportunities you are given here to receive an education. At a minimum, you need to come to school on time and on a regular basis. If a minor problem occurs, teachers may simply talk it out with you. If the problem is more significant or if you have repeated behavior issues, you might serve a teacher detention, an office detention or be suspended from school. Please become familiar with this Code of Conduct.

Students are responsible for exercising good behavior to ensure the safety and well-being of themselves and others. Any student failing to report to an office detention will receive an additional office detention. Examples of student behavior that warrant office detentions include, but are not limited to, those listed **above**.

SUSPENSION

This policy is pursuant to MGL Chapter 71; Section 37H3/4.

<https://malegislature.gov/Laws/GeneralLaws/PartI/TitleXII/Chapter71/Section37H3~4>

Any student who is suspended from school for more than 10 days has the right to appeal to the Superintendent. The appeal must be submitted in writing to the Superintendent within five (5) calendar days of the effective date of the long term suspension. Students may be suspended from school for serious infractions of school regulations.

These actions may include, but are not limited to, the offenses listed under Level Two and Three Infractions.

School administrators are authorized to conduct investigations into school related disciplinary matters, including student interviews.

A suspension may not be imposed without providing the student or the parent oral and written notice (in English or the primary language of the home), along with an opportunity for a hearing on the charge and an opportunity for the parent to participate in the hearing.

A parent/guardian must come with the student to meet with the school administration before that student can be readmitted. While on suspension, a student loses school privileges and may not attend /participate in all school activities, including athletics and social affairs.

Students will be provided with an opportunity to earn credits, make up assignments, tests, papers, and other school work missed while serving the suspension.

There are no late buses **guaranteed at this time** if a student stays for an activity, detention, or extra help.

Students are **not allowed to** switch buses except for significant extenuating circumstances. In such cases, requests must be made in writing and permission must be granted from the administration and transportation director.

SECURITY VIDEO CAMERAS ON SCHOOL BUSES –

The Tewksbury Public Schools has implemented a policy regarding Security Video Cameras on School Buses. Please refer to Tewksbury Public Schools Policy Manual, Section EEAEF/ECAF – Use of Video Cameras on School Buses.

BULLYING

Bullying behavior is not tolerated at the John F. Ryan School. Massachusetts General Law (M.G.L. c. 71), as added by Chapter 92 of the Acts of 2010, outlines a bullying prevention and intervention plan. All school policies and procedures regarding bullying and cyberbullying behavior will follow our school handbook, state law, and the policy and procedures of the Tewksbury Public Schools.

BULLYING

is defined as:

The repeated use by one or more students of a written, verbal, or electronic expression or a physical act or gesture or any combination thereof, directed at a victim that: (i) causes physical or emotional harm to the victim or damage to the victim's property; (ii) places the victim in reasonable fear of harm to himself or of damage to his property; (iii) creates a hostile environment at school for the victim; (iv) infringes on the rights of the victim at school; or (v) materially and substantially disrupts the educational process or the orderly operation of a school.

CYBERBULLYING

is defined as:

Bullying through the use of technology or any electronic communication, which shall include, but shall not be limited to, any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photo electronic or photo optical system, including, but not limited to, electronic mail, internet communications, instant messages or facsimile communications. Cyberbullying shall also include (i) the creation of a web page or blog in which the creator assumes the identity of another person or (ii) the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation creates any of the conditions enumerated in clauses (i) to (v), inclusive, of the definition of bullying. Cyberbullying shall also include the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by more than one person, if the distribution or posting creates any of the conditions enumerated in clauses (i) to (v), inclusive, of the definition of bullying.

Students with differentiating characteristics, including race, color, religion, ancestry, national origin, sex, socioeconomic status, homelessness, academic status, gender identity or expression, physical appearance, pregnancy or parenting status, sexual orientation (lesbian, gay, bisexual, transgender, questioning), mental, physical, developmental or sensory disability or who by association with a person who has or is perceived to have one or more of these characteristics, will be provided support and anti-bullying skills, knowledge and strategies

needed to prevent or respond to bullying or harassment of the student with differentiating characteristic(s) and the peer group.

Anyone wishing to report a suspected act of bullying may fill out a Bully Report Form available in the Ryan School office or the Tewksbury Public Schools website. In addition, a suspected act of bullying may be reported by telephone to any staff member. All reports will be fully investigated by the Ryan School staff.

CARE OF SCHOOL PROPERTY

Students are responsible for the safekeeping of all books, supplies and other school equipment. If a student willfully damages such school property, he/she will be required to pay for its replacement and may face disciplinary action. Parents/guardians will be notified and, possibly, the police department as well. The school will seek restitution from parents or guardians and may work with the police to resolve the issue if needed. Lost books must be paid for before the student leaves in June for summer vacation. Failure to pay for lost materials could also result in disciplinary action.

DRESS CODE

It is our belief that school is a place of business: the business of teaching and learning. As such, dress is expected to be in good taste, appropriate for academic work and consistent with safety standards. Students should dress in neat, clean and safe clothes and should not wear disruptive or distracting attire. Student dress is a matter of personal pride as well as an indication of respect for the learning environment. Thus, clothing such as pajamas and beach attire including flip flops are not appropriate for school. While clothing styles will change over time and specific articles of dress and accessories will emerge and require further review, we provide the following general guidelines:

Shirts/items which make reference to sex, violence, gangs, drugs, alcohol or tobacco, or shirts/items with crude or offensive language are inappropriate attire for school.

Sunglasses (without a doctor's note) are not considered appropriate for the classroom. Hats or head coverings of any type, except those worn for religious or medical purposes, shall not be worn.

Garments that do not sufficiently cover the torso, chest, legs, or back are not appropriate. Garments must be opaque and not see through.

Any display of undergarments is prohibited. Pants or shorts must be worn so as not to expose underclothing such as boxer shorts or other types of underwear.

Coats or jackets should not be worn in classrooms, and backpacks must be stored in the student's locker.

Students will be asked to change the article in question by any staff member. This dress code is in effect for all school events. Issues relating to dress code will be handled in a discreet and respectful manner. Parents will be notified and may need to be available in the event that appropriate school attire is needed.

DISCIPLINE OF STUDENTS ON EDUCATIONAL PLANS

All students are expected to meet the requirements for behavior set forth in this handbook. Chapter 71B of the Massachusetts General Laws (also known as Chapter 766) requires that additional provisions be made for children with special needs. The following additional requirements apply with respect to discipline of students with special needs.

1. The Individual Educational Program (IEP) for a special needs student will indicate whether the student is expected to meet the regular discipline code or if the student's condition requires a modification. Any modification will be described in the student's IEP.
2. For special needs students who may be removed from their educational program for more than ten days, cumulatively, in a school year, a review of the relationship between the misconduct and the student's disability will be conducted.
3. If, after conducting such review, the student's special education Team determines that the behavior was a manifestation of the student's disability, the Team will discuss a modified program for the student. If the Team determines that the student's behavior was not a manifestation of his/her disability, the student may then be subject to the school's disciplinary code. In that event, an alternative setting for the student to receive instruction will be determined.
4. A Functional Behavioral Assessment will also be conducted with respect to a special needs student whose behavior violates the school's disciplinary code.
5. If a student's conduct involves weapons or drugs, the team may place the student in an alternative educational setting.

When a student is on an educational plan he/she must abide by the Ryan School rules and regulations unless his/her plan states otherwise. Suspensions will be reported to the Administrator of Special Education. Plans will be reviewed by a special education team when a student has accumulated 10 days of suspension from classes in a school year.

SAFE SCHOOLS LEGISLATION

MGL Chapter 71; Section 37H3/4
Suspension Policy

This policy is pursuant to MGL Chapter 71; Section 37H3/4.

<https://malegislature.gov/Laws/GeneralLaws/PartI/TitleXII/Chapter71/Section37H3~4>

Any student who is suspended from school for more than 10 days has the right to appeal to the Superintendent. The appeal must be submitted in writing to the Superintendent within five (5) calendar days of the effective date of the long term suspension.

The School Committee intends that the administration and school principals be given a full range of authority in accordance with the guidelines of the Educational Reform Act of 1993 in order to prevent, address, and hold accountable those responsible for school related violence and other behavior that is not conducive with attendance in a public school.

Two important pieces of legislation related to safe schools are summarized as follows:

MGL Chapter 71; Section 37H

- Any student who is found on school premises, on school buses, or at school sponsored or school-related events, including athletic games, in possession of a dangerous weapon, including but not limited to a gun or knife; or a controlled substance as defined in Chapter 94C, including, but not limited to, marijuana, cocaine, and heroin, may be subject to expulsion from the school or school district by the principal.
- Any student who assaults a principal, assistant principal, teacher, teacher's aide or other educational staff on school premises or at school sponsored or school-related events, including athletic games, may be subject to expulsion from the school or school district by the principal.
- Any student who is charged with a violation of either of the preceding paragraphs shall be notified in writing of an opportunity for a hearing: provided, however, that the student may have representation, along with the opportunity to present evidence and witnesses at said hearing before the principal. After said hearing, a principal may, in their discretion, decide to suspend rather than expel a student who has been determined by the principal to have violated either of the preceding paragraphs.
- Any student who has been expelled from a school district pursuant to these provisions shall have the right to appeal to the superintendent. The expelled student shall have ten (10) days from the date of the expulsion in which to notify the superintendent of the appeal. The student has the right to counsel at a hearing before the superintendent. The subject matter of the appeal shall not be limited solely to a factual determination of whether the student has violated any provisions of this section.
- When a student is expelled under the provisions of this section and applies for admission to another school for acceptance, the superintendent of the sending school shall notify the superintendent of the receiving school of the reasons for the pupil's expulsion.

MGL Chapter 71; Section 37H1/2

- Upon the issuance of a criminal complaint charging a student with a felony, or upon the issuance of a felony delinquency complaint against a student, a principal may suspend such student for a period of time determined to be appropriate by said principal if said principal determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school. The student shall receive written notification of the charges and the reasons for the suspension prior to the suspension taking effect. The student shall also receive written notification of the right to appeal and the process for appealing such suspension; provided, however, that such suspension shall remain in effect prior to any appeal hearing conducted by the superintendent. The student shall have the right to appeal the suspension to the superintendent. The student shall notify the superintendent in writing of his request for an appeal no later than five (5) calendar days following the effective date of the suspension. The superintendent shall hold a hearing with the student and the student's parent or guardian within three calendar days of the student's request for an appeal. At the hearing, the student shall have the right to present oral and written testimony on his/her behalf, and shall have the right to counsel. The superintendent shall have the right to overturn or alter the decision of the principal, including recommending an alternate educational program for the student. The superintendent shall render a decision on the appeal within five (5) calendar days of the hearing. Such decision shall be the final decision of the city, town or regional school district with regard to the suspension.
- Upon a student's being convicted of a felony or upon adjudication or admission in court of guilt with respect to such felony or felony delinquency, the principal may expel said student if such principal determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school. (Due process procedures including notification, request for appeal and appeal hearing mirror those procedures outlined in the first paragraph above). Upon expulsion of such student, no school or school district shall be required to provide educational services to such student.

STUDENT CONDUCT AFFECTED BY THE EDUCATION REFORM ACT

(Violent Behavior, Possession of Weapons and Controlled Substances, and Violations of Others' Civil Rights)

(A.) If a student is involved in fighting or other violent behavior or is involved in acts of vandalism or violation of other students' civil rights, on school premises, on school buses, or at school-sponsored events, including athletic games, said student will be immediately suspended for an indefinite period of time, and may be subject to expulsion from school.

(B.) If a student is found on school premises or at school-related events, including athletic games, to be in possession of a dangerous weapon, including but not limited to, a gun or a knife; possession of ammunition for a weapon; or of a controlled substance as defined in

chapter 44C (including, but not limited to, marijuana, cocaine, and heroin) said student will be immediately suspended for an indefinite period of time, and, may be subject to expulsion from the school or school district by the principal.

(C.) If a student assaults anyone on school premises or at school sponsored or school-related events, including athletic games, said student will be immediately suspended for an indefinite period of time and may be subject to expulsion from the school or school district by the principal.

STATE AND FEDERAL LAWS

Students are expected to abide by all State and Federal Laws, and any violation of these laws will be cause for disciplinary action, including police involvement.

SEARCH AND SEIZURE

School officials balance a student's legitimate right to privacy against their need to provide a safe environment in which others can learn. We can search student lockers, desks, and other school areas without a warrant as long as there is a reasonable suspicion that the search is necessary to find contraband or to preserve public safety.

If we find contraband, we will confiscate it and turn it over to the police. We will also notify parents/guardians and begin procedures which may lead to a student suspension from school.

GENERAL INFORMATION

ATTENDANCE AND ABSENCES

Excused Absences

Exempt Absence: A student's absence is classified as excused or "exempt" for the following reasons:

- A medical reason or hospitalization (health care provider documentation or receipts required)
- A court appearance (court documentation required)
- A religious observance (parent/guardian call or note required)
- A death in the immediate family: parent, grandparent, sister, brother, aunt, uncle (parent, guardian call or note required)
- Suspension from school

This type of absence does not count toward the total number of unexcused absences.

Aspen Code: AE-with reason

Unexcused Absences

Absent Confirmed (non-exempt): For an absence to be confirmed, a parent/guardian must call the child's school on the morning of the absence or email the school at

ryanattendance@tewsbury.k12.ma.us and include the student name in the subject field of the email. The

student must present a note from the parent/guardian upon return to school. It is considered an unexcused absence until it satisfies one of the reasons above.

An absent confirmed still counts toward the total number of accumulated unexcused absences.

Aspen Code: AC

Absent (Truant, non-exempt): When a student is absent from school and no phone call, email, or note has been received from a parent/guardian, the student's absence is classified as unexcused or truant.

This type of absence or truancy also counts toward the total number of accumulated unexcused absences.

Aspen Code: A

Performance of household or babysitting duties, school visits, and family travel or vacation are considered **unexcused** absences.

Absenteeism and the Massachusetts General Laws:

- The parents or guardians of each pupil shall, annually, at the commencement of each school year, be sent a notice instructing them to call a designated telephone number at a designated time to inform the school of the absence of a pupil and the reason therefor. Said notice shall also require such parent or guardian to furnish the school with a home, work or other emergency telephone number where they can be contacted during the school day. If a pupil is absent and the school has not been notified by the designated time, the school shall call the telephone number or numbers furnished to inquire about said absence.
 - (Massachusetts General Law Title XII, Chapter 76, Section 1A)

- Following the 5th unexcused absence, a letter will be generated from the Principal's office, or the Principal's designee, notifying the parent/guardian, in writing, of the student's absence, and requesting a meeting with the parent/guardian to discuss the student's attendance. The letter will direct the parent/guardian to contact the Principal's office, or the Principal's designee, within 5 school days to schedule a meeting. If the parent/guardian does not contact the Principal's office or the Principal's designee, within 5 school days, the Principal's office, or the Principal's designee, will call the parent or guardian for purposes of scheduling a meeting. At the meeting, the Principal (Assistant Principal or other designee), the parent/guardian and the student must develop action steps to address the student's attendance. Other relevant school personnel and officials from public safety, health and human services, housing and nonprofit agencies, may offer input into the development of action steps.
 - (Massachusetts General Law Title XII, Chapter 76, Section 1B)

- Following non-exempt absences of seven (7) full days or fourteen (14) half-days within any period of six (6) months, a supervisor of attendance may choose to file a "failure to send" complaint against the parent or guardian in the juvenile court.
 - (Massachusetts General Law Title XII, Chapter 76, Section 2)

- Whoever induces or attempts to induce a minor to absent himself unlawfully from school, or unlawfully employs him or harbors a minor who, while school is in session, is absent unlawfully therefrom, shall be punished by a fine of not more than two hundred dollars.
 - (Massachusetts General Law Title XII, Chapter 76, Section 4)

- Following the eighth (8th) non-exempt absence in one quarter, the Principal or designee may choose to file a “Habitual Truant” Child Requiring Assistance (CRA) in the juvenile court to support the student in attending school.
 - (Massachusetts General Law Title XVII, Chapter 119, Section 39 E&G)

Attendance Protocol in the Tewksbury Public Schools:

1. Following the fifth (5th) unexcused absence, a letter will be sent home to parents or guardians notifying them of their child’s attendance and a copy of the letter will be placed in the student’s file. This may be accompanied by a phone call home expressing concern to arrange a meeting with the Principal or designee and/or the School Guidance Counselor.
2. Following unexcused absences of seven (7) full days or fourteen (14) half-days within any period of six (6) months, a supervisor of attendance may choose to file a “failure to send” complaint in the juvenile court. (Massachusetts General Law Title XII, Chapter 76, Section 2)
3. Following the twelfth (12th) unexcused absence, a second letter will be sent home to the parent/guardian notifying them of their child’s attendance and a copy will be placed in the student’s file.
4. Between twelve to fifteen (12-15) absences the School Attendance Officer may make phone contact or visit the home of the parent/guardians.
5. Following the eighth (8th) unexcused absence in one quarter, the Principal or designee may choose to file a Child Requiring Assistance (CRA) in the juvenile court to support the student in attending school. (Massachusetts General Law Title XVII, Chapter 119, Section 39 E&G)

Please be advised that students who received attendance interventions in the previous school year(s) may be subject to more serious and immediate interventions should signs of continued attendance concerns be observed during the current school year.

If a student is absent because of **extended illness** (14 school days) the parent/guardian should telephone the Office of Special Education (978 640-7818) to request a form for a physician to sign so that the school can provide a tutor to help the student keep up with class assignments.

TRUANCY

Truancy, which is an absence from school without permission, is against the law. Any student who has been proven to be truant will be disciplined by the school and may be referred to a higher authority for action.

TARDINESS

Each student is to be in his/her homeroom no later than 8:15 AM. If a student arrives at school after 8:15 A.M., he/she must be accompanied by a parent or guardian to the main office. The student must obtain an admission slip from the office before reporting to class. If a student is

frequently tardy, the student may be assigned an after school or lunch-detention or, at the discretion of the school administration, the student may be restricted from taking part in school activities and/or privileges.

DISMISSALS

- Dismissal notes should be given to the homeroom teacher and state the following: Student's first name, last name, homeroom, time of dismissal, reason for dismissal, room number where the student will be at that time, and parent signature.
- No student will be dismissed from school unless a responsible adult is available to escort him/her home.
- A student dismissed before 11:00 AM is considered absent unless the student returns to school.

Under no circumstance should a student when feeling ill use a cell phone to contact a parent/guardian to be picked up from school without first reporting to the nurse's office. During the school day, cell phones are not to be used without teacher permission. If the nurse is unavailable, the student is to report to the main office.

EARLY ARRIVAL

Students who do not take the bus in the morning will be unable to enter the building prior to 8:00 AM. Teacher supervision begins at this time and we are unfortunately unable to guarantee the safety of students who arrive earlier.

VACATIONS DURING THE SCHOOL YEAR

December, February and April vacations are included in the school calendar. Family vacation taken while school is in session is contrary to Student Attendance Policy voted by the School Committee and is strongly discouraged. It has been our experience that students do not complete work while on such vacations. Should a student miss school because of a vacation, makeup work will be assigned upon his/her return to school. Teachers may, at their discretion, assign work before students leave on vacation.

NO SCHOOL/DELAYED OPENING/EARLY RELEASE ANNOUNCEMENTS

Schools will be closed only in the case of severe, inclement weather. Announcements relative to closing schools for inclement weather will be carried by TV stations, **Twitter@tpsdistrict**, and through the district's telephone notification system "**One Call Now.**"

Delayed Openings: Superintendent will notify the public by the same procedure as "no school" announcements. Parents and students are requested not to call the Police Station, Fire Station, Bus Contractors, School Principals, or the Superintendent of Schools for "no school" information. Information will not be available from these sources.

Early dismissals are highly unusual. In the event we must dismiss schools early due to inclement weather or other conditions, an announcement will be made on television stations (Channels 4, 5, 7, 25 and NECN), on One Call Now, our telephone notification system, and on *Twitter*. System-wide early dismissal will be in the following order: High School, Wynn, Ryan, Heath Brook/Trahan, and Dewing/North Street Schools. Hopefully, we can avoid some school cancellations during the winter by use of this plan. It is advisable to arrange for a safe home for your student to go to in the event that you may not always be at home. Your cooperation is appreciated.

GUIDANCE DEPARTMENT

School psychologists are available to every student in the school. These services include counseling in the areas of academics, social issues, and home concerns. School psychologists meet with most students throughout the year in an effort to get to know them. A student can make an appointment to see a school psychologist. The school psychologist will make arrangements to meet with the student at a mutually agreeable time.

Health Services

1. ACCIDENT/ILLNESS Forms: Please correct and return as soon as possible. Any recent health problem that is not reflected in your child's health record should be brought to the school nurse's attention immediately. The importance of correct forms cannot be overemphasized. Please update the school with any changes during the school year.

2. Screenings: State law mandates the following screenings:

- Height, weight and BMI measurements in grades 1, 4, 7 and 10. This information will be mailed home individually to the parents/guardians.
- Vision screening is conducted during the year in grades 1-5, 7 and 9. Parents/guardians will be informed if the child requires follow-up. These screenings are not to be used as diagnostic studies. Hearing screening is conducted during the year in grades K-3, 5, 7 and 9. Parents/guardians will be informed if the child requires follow-up. These screenings are not to be used as diagnostic studies.
- Postural Screening is conducted on all students in grades 5 - 9. This is mandated by the state of Massachusetts. You will be notified prior to the screening and if your child requires follow-up.
- **A Parent / guardian may refuse any screening for their child in writing to the school nurse.**

3. Physicals: State law in grades K, 4, 7, & 10 mandates school physicals. Physical exam forms were sent out in the spring. In addition, most Doctor's offices have a similar form of their own, which is acceptable. Please return all completed forms by **October 1st**.

4. Medication: State law Please call the school nurse in your child's school for medication order and parental permission forms. **NO Medication, prescription or over the counter** can be administered without these forms. All medication must be in a pharmacy labeled container or unopened original manufacturer's container. Please contact the school nurse for any medication administration including prescribed, over the counter medications, inhalers etc. Forms are currently available from the school nurse. Self - administration is not permitted for over the counter medications. **Inhalers require MD orders and written parent permission for self administration prior to review by the school nurse.**

5. Illness, Injuries and Surgeries: Please call the school when your child is absent. In the event of a physician documented contagious illness, it is important for the school nurse to know. This is for the protection of your child as well as the other students and staff that may be susceptible to infection. **A doctor's note is required when the student returns to school when there are any restrictions in activity, including the nature of the restriction and the time/ length of the restriction especially in cases of hospitalization and surgery. Students should have documentation from a MD before returning to school, with splints, braces, crutches, slings, and stitches etc.**

6. Concussion and Head Injuries: Head injuries/concussions must be reported to the school nurse, when reporting back to school. **Documentation from the health care provider must be provided to the school nurse that the student may return to school along with any restrictions in activity or academics that may be required. Please contact the school nurse prior to returning to school. Please visit www.tewksbury.k12.ma.us District Info Policy Manual to access TPS Policies regarding Concussion. Refer to File: JJIF ATHLETIC CONCUSSION POLICY and File: JJIF-R ATHLETIC CONCUSSION REGULATIONS.**

7. When to keep your student home:

1. Fever over 100 °F. Students may return to school when fever free for 24 hours without the use of fever reducing medications such as Tylenol or ibuprofen.
2. An unexplained vomiting episode, or 3 or more loose, watery stools or loss of control of stools. The student may return after 24 hours after last episode, and has returned to normal diet.
3. Conjunctivitis: Any drainage from the eye can signal infection. Please have it checked and provide written clearance from a health care provider. Keep the student home until 24 hours after the first dose of medication.
4. Antibiotics: these are prescribed for infections. Please avoid spreading infection by keeping the student home until 24 hours after the first dose of medication.

Please call your school nurse if the student requires medication, or has any change in their medical condition. If you are not sure, check with your nurse.

Please call the school nurse at your child's school for any questions and for more information regarding these procedures.

Medications

- By law, all medications, prescription or over the counter, must have a written physician's order and written parental permission to be administered in the school setting. Tylenol and ibuprofen may be administered at the school nurse's discretion with established protocols developed by the consulting school physician when a signed parental permission form is on file in the health office.
- All other medications that may need to be taken during the school day, whether routine or as needed, must have a written physician's order as well as a completed parental permission form that can be downloaded from the school website or obtained at the health office. Every effort should be made to schedule medications outside the school day, such as daily meds and those given twice a day. If special circumstances prevail, please speak to the school nurse to establish a plan.
- Medication must be in a pharmacy labeled container or unopened original manufacturer's container. Ask your pharmacist for a second prescription-labeled bottle if medication needs to be taken between home and school. Medication will not be given from any other type of container. Please notify the school nurse of any changes in medications or dosages.
- Medication must be taken in the nurse's office under the supervision of the school nurse. If special circumstances exist, please call the nurse to explain and to establish a plan for self-administration. Students with self-administration privileges must be capable of keeping the medication to themselves during the school day. Sharing medication with other students is not permitted.
- By law, students are allowed to carry emergency medications, including respiratory inhalers, insulin, and epi-pens with prior knowledge of the nurse. Please be sure to have the necessary physician and parent signed forms on file in the health office.
- Please call the school nurse's office at (978) 640-7880 or email with any questions you may have or to make an appointment.
- Failure to adhere to the above policies and procedures may result in suspension.

LOCKERS - STUDENT ASSIGNMENT AND USE

Students are assigned a locker for books, coats and jackets at the beginning of each year and are given a lock with a unique combination to use during the school year. Students can go to their lockers before and after school, at the beginning of lunch period, and any additional times as decided by the team of teachers. Students should keep the combination to their locks a secret. The school is not responsible for items stolen from a locker. All items stored in lockers must be related to an authorized school activity. School officials may, without prior warning,

examine the contents of a locker when there is reasonable suspicion to believe that the locker may contain prohibited items.

- Backpacks/book bags are not allowed to be carried from class to class; they must be placed in lockers and remain there throughout the school day. Teachers will schedule locker times that will allow students to access their belongings at various times throughout the day.
- Students are held responsible for the proper use and care of the locker assigned to them.
- Students must **never** leave locker combinations **unlocked**.
- The school assumes **NO** responsibility for lost articles.

VALUABLES

Students should not bring large amounts of money or expensive items to school. If necessary, students may place money in a sealed, labeled envelope and store it temporarily in the safe in the main office. **DO NOT LEAVE** money, watches, rings, purses or other things of value in lockers or classrooms. A student may ask a Physical Education Teacher to hold valuables for a student during Physical Education classes. Tewksbury Public Schools is not responsible for lost or stolen items.

LOST AND FOUND

When a student finds something that isn't his/hers, bring it to the office. A student may look through "found" items in the cafeteria area to find something that was lost and turned in.

TELEPHONE USE

The office phone and classroom phones are for emergency use only. Students who require use of a school phone need to request permission from the office or a teacher. Our priority is not to disrupt class work and student learning during the school day.

WALKING TO SCHOOL

Students may walk home from school if parents submit a letter granting the student permission to walk home that day. A parent may also write one letter that permits the student to walk home at any time during the school year. Students who are walking may leave at **first dismissal**.

RIDING A BICYCLE TO SCHOOL

Students are permitted to ride a bicycle to school if they have turned in a [*Student Bicycle Riding Contract*](#) signed by student, parent/guardian and administrator which states, in part:

- In accordance with the Massachusetts Bicycle Helmet Law, **all individuals, 16 or younger, must wear a bike helmet when riding a bicycle to school.**
- Students riding a bicycle will leave on **first dismissal**.
- Students should use a bike lock of their own to ensure its safe keeping while at school.

FIELD TRIPS

A student's parent/guardian must complete a field trip form which must be given to the teacher before a student may get on the trip bus. During the trip students will stay with teachers or chaperones. A student may be excluded from a field trip if behavior has been consistently inappropriate. This decision will be made by the student's teachers and an administrator. Any parent volunteer accompanying a field trip must complete a CORI request form.

EMERGENCY PROCEDURES

FIRE ALARM DIRECTIONS

Students should be aware that fire exit directions are posted in each classroom. Students should:

- Locate and consult these directions when entering each classroom or school area;
- Follow those directions quickly and quietly when the alarm sounds;
- Leave the school building immediately with teachers;
- Follow the prescribed route and ask teachers if there are any questions concerning the fire exit directions;
- Use alternate routes other than posted instructions in case the fire is blocking established routes, e.g. rear doors adjoining one class with another, outside exits, different staircases, etc.;
- Listen to any additional instructions given on the public address system and follow these;
- Not enter the building until directed to do so by a teacher;
- While outdoors, remain at least 50 feet from the school building with teachers;
- Treat every fire alarm as a real alarm.

NOTE: Pulling a false alarm is an unlawful act and will be treated as a police matter.

EVACUATION

An evacuation of the building could be used by the administration to evacuate the building for any reason other than a fire. Evacuation for a fire will always be done via the fire alarm system. An alternate evacuation will begin with an announcement made over the intercom system. Students should be aware of the alternate evacuation route for the room that they are in. The evacuation route for each room will be posted next to the fire exit sign in each room. If there are any questions about the evacuation procedure, students should ask their teacher. When evacuating the building for any reason, it is important that it be done in a calm and orderly manner. Classes must stay together with their teachers so that an accounting of all students can be done.

LOCKOUT

LOCKOUT is a procedure to be used when dealing with a threat or potential threat to the school building or occupants from outside of the building.

The Administration or designee will initiate LOCKOUT over the intercom. Students will be instructed to go into their assigned room. All students will rejoin their class or activity.

LOCKDOWN

LOCKDOWN is a procedure to be employed when dealing with a threat or potential threat to the school building or occupants from within the building.

The Administration or designee will initiate LOCKDOWN over the school intercom. Students will be instructed to go to the nearest room and evacuate the hallways.

Students and staff will utilize this approach as part of the A.L.I.C.E response (see below).

A.L.I.C.E. PROTOCOL

Students and staff are trained in the A.L.I.C.E. (Alert, Lockdown, Inform, Counter, Evacuate) protocol and are able to choose from the above response options in determining the most effective way of ensuring their physical safety when faced with an imminent threat.

NEW STUDENT REGISTRATION

Families wishing to enroll a student within the Tewksbury Public Schools need to schedule an [appointment](#). A checklist of required documentation along with registration paperwork is available for [download](#) on our central registration site. It is important to note that a representative for the Office of Student and Family Support will provide you with a link to a virtual meeting for the date and time you have scheduled. Please contact the Office of Student and Family Support with any questions or concerns 978-640-7800 x 218.

ADDRESS CHANGE

Families who have moved to the town of Tewksbury must contact the Office of Student and Family Support. All address changes are verified with a fully executed Purchase and Sales / Lease along with a statement from a utility company indicating service has been turned on, or a current utility bill. All documentation submitted must be current, including name(s) and the new address.

POLICIES

ACCEPTABLE USE OF COMPUTERS

Before a student can use the school computers, he/she and a parent/guardian must read and sign the Acceptable Use Policy. Those policy forms will be distributed during the first week of school. Violation of the acceptable use policy could lead to disciplinary action including, but not limited to, loss of computer privileges, detention, or suspension.

AHERA

As per the requirements of 40CFR 763 section 84 (f) of the AHERA regulation, Asbestos Inspections and Management Plans are available for review at the office of the building principal during normal working hours.

ALCOHOL AND OTHER DRUG POLICY

A student will be suspended from school and may be subject to expulsion if he/she is found to be in possession of alcohol or other drugs (or under the influence of, or distributing) while on school premises, on school buses, or at school-sponsored events such as dances and athletic games. The school will report violators to the police. This policy also applies to any student found to be in possession of drug paraphernalia and drug facsimiles.

APPROPRIATE USE OF PERSONAL ELECTRONIC DEVICES

Radios, iPods, tablets, cell phones and other personal electronic devices are prohibited in the school without consent from the Principal or as designated in a student's IEP or 504 plan. Students found in possession of such items will have them confiscated and parents/guardians may pick them up at the main office that same day.

Use of a personal electronic device's audio or visual recording features is not permitted without prior approval of an administrator or teacher. Massachusetts law makes it a crime to secretly record an in-person or telephone conversation without the consent of all parties to the conversation. Failure to comply with the requirements of this policy will result in disciplinary action and may result in suspension.

Please remember that students who bring these devices to school do so at their own risk. The school is not responsible for the loss, damage or theft of a student's property at school, on the bus, or at school events. It is expected that all electronic devices are charged at home.

NONDISCRIMINATION

Tewksbury Public Schools does not discriminate on the basis of race, color, sex, gender identity, religion, national origin, sexual orientation or disability in its admission of students in, or access of students to all programs or activities offered by Tewksbury Public Schools including athletics and other extracurricular activities.

Tewksbury Public Schools strive to prevent, oppose and prohibit harassment or discrimination based on a student's race, color, sex, gender identity, religion, national origin, sexual orientation or disability and will respond promptly and appropriately to any complaint or report of discrimination or harassment. (File: AC, ACA, ACAB in School Committee Policy)

1. Upon issuance of a criminal complaint charging a student with a felony or upon issuance of a felony delinquency complaint, the principal may suspend such student for a period of time

determined appropriate by the principal if the principal determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school.

2. Upon a student being convicted of a felony or upon an adjudication or admission in court of guilt with respect to such felony or felony delinquency, the principal may expel such student if the principal determines that the student's continued presence in school would have a substantial detrimental effect on the general welfare of the school.

In both sections 1 and 2, a student and parents have the right of appeal to the Superintendent of Schools.

PROCEDURES FOR STUDENTS WITH DISABILITIES SECTION 504

A student, parent/guardian or employee who believes that he/she has been discriminated against on the basis of his/her disability shall report such grievance to the principal, or in the alternative to the Superintendent of Schools. The procedure for filing such a grievance is set forth in the district's Section 504-grievance policy, a copy of which is available in the principal's office.

In addition, if a complainant remains dissatisfied with the district's resolution of his/her complaint, he/she may file a complaint with one or more of the following agencies. A statute of limitations of 180 days may apply to the filing of such complaint.

Office of Civil Rights
United States Department of Education

Commonwealth of Massachusetts

EXPULSION

By law the Tewksbury Public Schools must give the student and parents/guardians a fair hearing before separating him/her permanently from the school for misconduct. The principal conducts this hearing and must provide the student with:

- Written notice of the charge of misconduct;
- Notice that he/she may be represented by an attorney or advocate (at student's expense);
- Adequate time to prepare for the hearing;
- Access to all documents the school intends to use at the hearing;
- The right to question witnesses; and,

HARASSMENT, CIVIL RIGHTS AND RESPECT

"Harassment" is conduct that is personally offensive, degrading or threatening to others. It is strictly prohibited at the John F. Ryan School. The school's policy against harassment refers to/but is not limited to, insulting or harmful comments or actions based on a person's race, gender, sexual orientation, national origin, physical characteristics or disability. Examples of harassment include, but are not limited to, name calling, put downs, threats, sexually suggestive remarks, unsolicited physical contact, unwelcome and insulting comments and gestures, and the display or circulation of written materials or pictures that are degrading to any individual, or any ethnic, religious or gender group. All members of the Ryan School Community are expected to adhere to this policy and are strongly encouraged not to tolerate, even by silence, any violation of it by others. Consequences for violating this policy can include mandatory counseling, exclusion from school social events, and suspension from school ranging from one to ten days with notification to the police. Repeated or extreme forms of harassment may result in a recommendation of expulsion from the Ryan School.

Incidences of harassment may result in a hearing conducted by the principal. The parents will be contacted. The totality of the circumstances, the nature of the conduct and the context in which the alleged conduct occurred will be investigated. After due process has been afforded, a decision will be rendered. Harassment will be treated on an equal basis with those incidents involving bias or hatred. Since harassment may involve state and/or federal law, the Tewksbury Police may be asked to offer assistance, clarification and/or direction. For compliance issues, parents should contact:

HARASSMENT: SEXUAL

All students should show respect toward each other in the school setting. Bothering another person with unwanted verbal or physical advances of a sexual nature is unacceptable. Displays of affection are not considered appropriate in the school setting or at school events. These behaviors may lead to disciplinary action.

A student who believes he or she has been subjected to sexual harassment should consult the district's sexual harassment complaint procedure, a copy of which is available in the principal's office.

An individual who feels that he/she has been sexually harassed may file a complaint with the following agency. A statute of limitations of 180 days may apply to the filing of such complaints.

Such conduct shall include whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, liquor, beverage or drug or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of any such student or other person, or which subjects such student or other person to extreme mental stress, including extended deprivation of sleep or rest or extended isolation.

STUDENT RECORDS

The Student Record Regulations adopted by the Board of Education apply to all public elementary and secondary schools in Massachusetts (They also apply to private day and residential schools that have state approval to provide publicly-funded special education services.) The regulations are designed to insure parents' and students' rights of confidentiality, inspection, amendment, and destruction of student records, and to assist school authorities in carrying out their responsibilities under state and federal law.

INSPECTION OF RECORDS

A parent or an eligible student has the right to inspect all portions of the student record upon request. The record must be made available within two days after the request, unless the parent or student consent to a delay.

The parent and eligible student have the right to receive a copy of any part of the record, although the school may charge a reasonable fee for the cost of duplicating the materials. The parent and eligible student may request to have parts of the record interpreted by a qualified professional from the school, or may invite anyone else of their choice to inspect or interpret the record with them.

Access of non-custodial parents to their child's student information is governed by Massachusetts General Laws, Chapter 71, Section 34H and the Department of Education's Regulations, at 603 CMR 23.07. A noncustodial parent shall submit a written request for records to the school principal annually. Upon receipt of the request, the school principal is required to notify the custodial parent of the receipt of the request. The custodial parent will be notified that the information requested will be provided to the non-custodial parent unless the principal is provided with documentation of a court order that prohibits the provision of such information to the non-custodial parent.

CONFIDENTIALITY OF RECORDS

Except where the regulations specifically authorize access by third parties, no individuals or organizations other than the parent, eligible student and school personnel working directly with the student are allowed to have access to information in the student record without the specific, informed, written consent of the parent or eligible student.

AMENDMENT OF RECORDS

The parent and eligible student have the right to add relevant comments, information, or other written materials to the student record. In addition, the parent and eligible student has a right to request that information in the record be amended or deleted. They are entitled to meet with the principal (or the principal's designee) to discuss their objection to information that is in the records, and to receive a written decision. A parent or eligible student who is not satisfied with the principal's decision may appeal to higher authorities in the school district.

DESTRUCTION OF RECORDS

The regulations require school authorities to destroy a student's temporary record within five years after the student transfers, graduates or withdraws from the school system. School authorities are also allowed to destroy misleading, outdated, or irrelevant information in the record from time to time while the student is enrolled in the school system. In each case, the school must first notify the parent and eligible student and give them the opportunity to receive a copy of any of the information before it is destroyed.

The above is only a summary of some of the more important provisions of the Student Record Regulations that relate to the rights of parents and eligible students. The Student Record Regulations are included in the code of Massachusetts Regulation at 603 CMR 23.00. For more detailed information, please review the regulations (copies of which should be available in every public school) and the Questions and Answers guide published by the Massachusetts Department of Education in 1995.
