

## Organization Conference Comments

- This was the perfect way to begin (or end) this piece.
- Step by step is a clear way to show how to do something in order.
- Because one thing happened all the other things followed. Nice thinking.
- Your captions help me see how your pictures go together.
- What is going to happen next? I can hardly wait to find out.
- I was surprised by your ending. I didn't see it coming!
- The way you arrived at the solution to your main character's problem makes good sense.
- The way you put the events in order by time works well.
- You grouped your pictures to show how they fit together. Nice work in organization.
- You've left breadcrumbs to help me find my way through your paper easily - thanks.
- You use clear patterns that are logical – good work.
- Your organization makes this easy to follow
- I like the strong introduction: it makes me want to keep reading.
- You came up with a clever title that matches your piece very well.
- You held my attention as I kept reading.
- Your grouping of ideas is great.
- Everything fits together like a puzzle.
- Your ending offers food for thought.
- Your ending wraps everything up very nicely.
- You wrote a good attention-getting opener.
- Good transitions helped me read through it with ease.
- Your essay exhibits good spatial order.
- You organized your paper chronologically – good work.
- What a surprise ending!
- You wrote a clear beginning, middle, and end.
- Cause and effect – you thought of a nice way to organize.
