The above limitations may be waived by mutual written agreement of the parties.

If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the other party and the arbitrator.

SECTION 3. Notwithstanding anything to the contrary, no dispute or controversy shall be a subject for arbitration unless it involves only the interpretation and application of an alleged specific and direct violation of the express language of a specific provision of this Agreement. The parties are agreed that no restrictions are intended on the rights and powers of the Committee except those specifically and directly set forth in express language in specific provisions of this Agreement. The arbitrator shall arrive at his/her decision solely upon the facts, evidence and contentions as presented by the parties during the arbitration proceedings.
