Dear Friends of the Tewksbury Education Foundation:

We are pleased to report that the Tewksbury Education Foundation (TEF)'s 5th Live & Silent Auction in 2016 raised over \$47,000 for our schools. The proceeds from last year's auction will be going towards STEAM (Science, Technology, Engineering, Arts and Math) initiatives for each and every school in the Tewksbury public school system. HP Stream laptops and carts, kilns, projector with screen, and iPads were just a few of the items we were able to provide through the community's generous support. The auction was a resounding success and we cannot thank our supporters and volunteers enough. With the community's help, we have been able to raise over \$200,000 for the Tewksbury Schools in the last five years.

As we look ahead to this year's event, we keep in mind the words of Benjamin Franklin:

"Tell me and I forget. Teach me and I remember. Involve me and I learn."

To this end, the Tewksbury Education Foundation's mission to continue to challenge, prepare and raise expectation for Tewksbury students, we have determined that the proceeds from the 6th Annual Live & Silent Auction will support purchasing 21st century educational tools for our students.
