To Our Summer Family,

Our first week has been a huge success! The kids are having a blast and so is the staff! Staff members have already taken off with creative crafts, sprinkler time, and activities in the gym with the parachute!

As we continue learning kids, parents, and other family and friends' names, please be patient with us at pick up time. If we are unfamiliar with you or someone else picking up your child, we will ask for your ID, so please have it with you. We truly see hundreds of faces throughout the week and are doing our best. Also, please be sure you update your information on your online account with people who can pick up your child(ren). We apologize that at times there can be a short wait time, but we are doing our **best** to *ensure* the children's **safety**. That is our number **one goal!**

We're excited the summer kicked off smoothly and look forward to the good times to come! Please let us know how we can assist you. We're here to help! Check out the back for updates and pictures!

Thank you,
*Emily Niles, Kathleen Morrill,
and the Heath Brook Summer Staff*
