

SPORTS ZONE 101 PRESENTS:

APRIL BREAK "TOURNAMENT OF CHAMPIONS"

For Kids Grades K – 6

For our February Vacation week, we are changing up our format to allow kids to experience very special themes for all our fun games. As always, our format will allow kids of all ages to play all their favorite games including flag football, dodgeball, pickle, soccer, baseball, kickball, battleship, and others! All kids will receive sports packs of cards for their outstanding participation, teamwork, and leadership throughout the week!

Our Special Themes During April Vacation Include:

Tuesday: Legends Day

We will discuss and learn more about some of the best "legendary" sports stars of all time. Each child will pretend to be their favorite sports "legend" of the day in all games we play. You can wear a special shirt/hat that celebrates a special sports star too to receive an extra prize!

Wednesday: Around the World

We will travel around the gym with different activities that require team competitions, races, and problem solving.

Thursday: Redmen Day

Wear your Tewksbury gear to receive an extra reward and prize for the day.

Friday: Outer Space Day

(Space themed games including Star Wars ball, Space Odessey, and Blast Off!)

This program is open to both boys and girls. Come and play like a champion!
