MIXED MEDIA ARTS

Is your child artistic or would like to learn new techniques with different Art Mediums! We will do two weeks of painting pottery, 1 week of fused glass, 1 week of creating with mosaics, and paint on a canvas the last week of the session. We will pick the pieces and teach them designs, the kids will pick their colors. Pottery and glass pieces will be food safe. Paint is non-toxic and washable. Mosaics and Painting on a canvas are decorative pieces. The pottery and fused glass needs to be fired and the mosaics need to be grouted. All pieces will be returned by the end of the session. ** New this year Mosaics ****Please keep in mind, each session is different so if you did a previous class this one will be different than the last one.**

KID'S TEST KITCHEN

Kids' Test Kitchen is on a mission to get young aspiring chefs cooking, tasting, and thinking about healthy ingredients! Each week, we'll work together to prepare fun snacks, entrées, and side items whose key ingredients are known to be really good for us! No matter the season - Kids' Test Kitchen has the perfect recipes in mind. At the end of class your aspiring chef will receive the main ingredient and the recipe so that they can show off what they've learned! Each session arrives with fresh recipes and ideas to inspire your healthy eater! Kids have food allergies, but they shouldn't miss out on the fun. We know allergies and can work around them, making sure that everyone is having fun and staying safe. *Please clearly disclose all food allergies and/or dietary restrictions upon registration. www.facebook.com/kidstestkitchen/ **Please keep in mind, each session is different so if you did a previous class this one will be different than the last one.**
