RYAN ULTIMATE FRISBEE SESSION 2

“Tournament of Champions”

Ultimate Disc League

Have you ever seen kids *forget* to pass the ball to anyone else on their team? Have you seen the local star athlete steal the show while the other kids look around wondering why they never get the ball?

We have certainly seen it with our students, and that is one reason we love Ultimate so much at Tournament of Champs. Ultimate Frisbee gives all students an opportunity to participate because it requires passing, communication, and strategic movement. Also, Ultimate is a great sport to get involved in because it promotes continuous movement and is inherently non-contact. Running just to run can be boring, but your students will get a wealth of exercise and have loads of fun by participating in our Ultimate Disc League!

COST: \$75 for 5 weeks

DATES: Thursdays - 11/8, 11/15, 11/29, 12/13, 12/20 (No Class 11/22, 12/6)

TEWKSBURY COMMUNITY SERVICES ANNOUNCES RYAN SCHOOL "PUBLIC SPEAKING" SESSION 2 - FALL 2018

Famously, Americans' number one fear is public speaking while death only ranks number two. If that's so, this profound fear probably starts at an early age. In our *Public Speaking* class, we take the fear out of speaking before an audience by getting kids talking in front of a supportive group about things in which they are interested. They write speeches on subjects of their choice and practice delivering them to the assembled students. As the kids practice in this low-pressure environment, they learn skills like standing up tall, using a loud voice and making eye contact. We also watch famous and not-so-famous public speakers and critique what is successful and unsuccessful in their deliveries. The class concludes with students creating a TV news broadcast in which they serve as anchors. See a full curriculum preview:
