### LEGO MASTER BUILDER JR. - HOLIDAY EDITION

It takes years of practice, determination, patience, and dedication to become a Lego Master Builder. Your child is in luck though because we have worked tirelessly to perfect our Lego teaching technique – so much so that within six short weeks, your child will receive a certificate proving that they have completed their Master Builder Jr. training! Come join us as we explore and create our wildest imaginations. We will also re-create some real-world buildings, landscapes, feats of engineering, and Wonders of the World! We supply all Lego blocks and building guides for classes, but there will also be some time for free building during our classes if your child wants to bring in their own project. You will not want to miss out on all the excitement we have planned, register today to secure your spot! New This Session: This class is open to both repeat and new students to our program. This session will also allow students to build with special themed “holiday Lego’s” for projects and activities! This program is open to both boys and girls.

Program cost: \$85.00

Instructor: Sports Zone 101

Dates: 11/6, 11/13, 11/20, 12/4, 12/11 (No class 11/27)

Time: 3:10-4:30 PM

Minimum 5 students; Maximum 20 students

## SEWING

New projects this year! Students will learn the basics of hand sewing and practice what they learn by making projects. Projects may include working with zippers, buttons or velcro as well as different types of material. Students will make several projects over the 5-week program including some type of stuffed project (stuffed animal or similar item). Students will be able to choose from several options for their stuffed project. Bonus projects will be available to students who complete the regular projects ahead of schedule. Repeat students are always welcome. **Please keep in mind, each session is different so if you did a previous class this one will be different than the last one.**
