

Celebrating Excellence

January 2020

Dear Parents/Guardians,

The Tewksbury Public Schools (TPS) is excited to offer many preschool options for the **fall of 2020**. Open enrollment for the 2020-2021 school year for all preschool programs begins on **January 27, 2020**.

There are a variety of preschool experiences including part-time and full-time classes. Preschool classes are offered at the Dewing and the Heath Brook Schools. Additionally, Tewksbury Memorial High School offers a part-time preschool program.

Enrollment for all programs will be completed through Community Pass:

<https://register.communitypass.net/TewksburyPublicSchools>. It is recommended that you visit this website **PRIOR** to the enrollment date to set-up your account. There will be two information sessions held on **Tuesday, January 21, 2020**, that you are encouraged to attend. At that time, there will be a question and answer session.

Information regarding program specifics at each school are posted on the TPS website: www.tewksbury.k12.ma.us. Hard copies will also be available at the Heath Brook School, Dewing School and the Office of Community Services as of January 15, 2020.

It is important to note that all tuition slots at the Heath Brook and Dewing Schools are determined by residency and that there are limited openings for each program. Thus, please review the program offered at your local school. The program offered at the High School also has limited openings but is open to residents in any part of town. Please also visit our website at www.tewksbury.k12.ma.us for additional information on the individual programs.

What follows is a timeline of important dates:

January 21, 2020: Preschool Information Sessions

- 10:30 AM to 11:30 AM -Tewksbury Public Library
