Important Information Regarding Preschool Registration for the 2022-2023 School Year

December 21, 2021

Dear Prospective Preschool Families,

We hope this letter finds you and your family safe and healthy. We are excited to begin planning for our preschool programs for the 2022-2023 school year. Typically, around this time of year, the Integrated Preschool, the Community Services Preschool, and the Tewksbury Memorial High School Vocational Programs send letters to families regarding preschool information sessions and registration for the upcoming school year. The number of seats we have available continue to be reduced to accommodate spacing capacities.

We are excited to offer a comprehensive array of preschool programming for the 2022-2023 school year. This includes tuition-based preschool programming for five half days a week, longer day programming for students whose families needed a longer day and a five half-days a week program at TMHS. Please refer to the timeline below:

- **January 25, 2022:** Information session for all preschool programs: (Heath Brook, Dewing, TMHS) 6:30 pm at Tewksbury Memorial High School, 320 Pleasant St.
- **January 25-February 15:** Community Pass Account set up.
To save time, kindly set this up in advance of open enrollment. If you already have a child in the TPS, you have a family account and can add your preschooler to your account. If you do not know your login information please email Maura at mrauseo@tewbury.k12.ma.us
- **February 15, 2022:** Beginning at 7:00 AM, Open Enrollment for all programs on Community Pass. <https://register.communitypass.net/TewksburyPublicSchools>
- **April 2, 2022:** Registration through Central Registration for all preschool programs. If you get into a program, you can then make an appointment at <https://calendly.com/studentfamilysupport>. This is only for those students accepted into the program. Appointments start on April 2.
- **August 2022:** TBD-Preschool Orientation

The attached flyer contains information on each of our wonderful programs. We invite you to review this information and prepare for the timeline of events enclosed.
