He reported that the budget consists of four major parts: Salary, Operating, and Capital Outlay, which are managed by the schools, and Fixed Costs which are managed by and shared with the town.

He reported on the challenges in formulating the FY23 Budget due to the new Center Elementary School scheduled to open in January 2023 and due to COVID in the 20/21 school year when spending patterns were atypical. He reported on the focus areas of the budget, Personnel, Operational Costs, Technology, and Building Improvements. Mr. Libby reported that the school department is requesting a 2.34% increase to the budget and for Fixed Costs & Debt a requested 1.66% increase. Our Salaries are \$37,347,031, Operating Costs are \$14,957,129, the Capital Outlay is \$850,000, and Fixed Costs are \$11,043,278. ANNOUNCEMENT

Mr. Sullivan reported the January 12, 2022 Regular School Committee meeting will be televised and recorded and may be viewed live on Comcast Channel 22 and Verizon Channel 34 or YouTube.com/TewksburyTV. Under the Open Meeting Law, the public is permitted to make an audio or video recording of an open session at a public meeting. Mr. Sullivan Inquired if anyone in the audience was recording tonight's meeting. Seeing no one, Mr. Sullivan moved onto the next order of business.

Mr. Sullivan made an official update regarding negotiations with both our two TTA employee groups. He thanked the TTA for agreeing to make all of the bargaining materials available to the public. This is very important to us, up here, so that all Tewksbury stakeholders can see all the information that has transpired in the course of negotiations for a successor *Agreement*. I also want to reiterate to the community that this School Committee and the district's Bargaining Team is fully committed to continue to bargain in good faith for a resolution for both groups.

The School Committee is not going to engage in bargaining through emails, social media, or media outlets for our School Committee meetings. Nor are we going to engage in a, he said/she said, campaign with residents and stakeholders. Everyone on this School Committee has 30,000 constituents in Tewksbury and we have that in mind as we negotiate with all of our Collective Bargaining groups. In spite of what is being purported by some, the School Committee through its district's Bargaining Team has not, nor would it ever, disrespect any of our employees, Union or otherwise, in negotiations or during the performance of their duties. Additionally, teachers are not working without a contract, all the current wage, terms and conditions of their employment from the previous contract, from September 2018 through August 2021, remain in full force, in effect, and are enumerated in *Article 37* of the *Collective Bargaining Agreement*. The district's Bargaining Team has not walked away from the table. The district's Bargaining Team has been negotiating, in good faith since January of 2021 through June 15th, 8 sessions to be exact with both groups. As of that date, the parties had scheduled a June 24th session, unfortunately the TTA could not attend. The district's Bargaining Team offered to continue negotiations during the summer but the next date which was made available by the TTA was the end of August, August 25, 2021. The parties met on that date and twice in September. During September's negotiations the TTA countered with approximately 1.3 million dollars in new additional funds from our last proposal in June. And when we asked them to come back to us with something significantly less due to our financial constraints, the Union then countered an increase not a decrease in additional new money. On October 15th, we presented an updated proposal that included approximately \$300,000 in new additional money and asked the Tewksbury Teachers Association to bring that last and final offer to its membership for a ratification vote. Because we appear to be going in the wrong direction and not making progress, we asked the TTA to join us in filing a joint petition for mediation with the Department of Labor Relation, because we felt that a professional, independent, third party would be beneficial to our end goal of agreeing to a successor *Agreement*. The TTA unfortunately did not agree. On November 1st, the district filed for mediation and we are currently negotiating with the assistance of a mediator and in the process of actually scheduling our third mediation session to come in a few weeks. Finally, our October 15th proposal to the TTA includes a salary proposal in addition to other financial components and adjustments. The salary component is equitable in relation to the contracts offered and approved by other unionized town employees. We have supplemented the percent increase in exchange for our one ask, that K-4 teachers and aides perform lunch and recess coverage similar to what is currently being done by all grades 5-12 teachers and aides. We have been committed from the outset to a financial package that we would be able to fund while providing the services necessary to provide a quality education here in Tewksbury. Anyone interested in receiving more in depth information regarding the contract negotiations, the documents will be posted on the district website by the end of the week. Thank you

Mr. Sullivan moved to the next order of business.

CITIZEN'S FORUM

Mr. Sullivan asked if there was anyone in the audience that wanted to speak on anything on the agenda tonight.

Emily Niles, 40 Coburn Drive, Dracut: Ms. Niles is a grade 1 teacher at the Heath Brook School. She addressed the School Committee on behalf of the teachers across the district. Ms. Niles presented the facts of a day in the life of an elementary teacher. She does what is essential for her students and advocates for the best education for children. Next year teachers may have to take on lunch and recess duties. Depending on morning duties and bus duties that leaves little time in the day for planning or PLC meetings. She asked the Committee to re-consider what they are asking of teachers. She added that our doors are always open if the Committee would like to come in and visit.

Mr. Sullivan thanked Ms. Niles. He asked if there was anyone else who wanted to speak on anything on the agenda. Seeing no one else, Mr. Sullivan closed the Citizens Forum at 7:05 p.m.

SUPERINTENDENT & STAFF REPORTS

Mr. Malone, Superintendent

Mr. Malone provided a COVID update offering thanks to students, parents, and staff members across the district. He extended thanks to our school nurses for working extensive hours, nights and weekends on contact tracing and pooled testing. The district has brought in additional assets to help them out. The district continues to look at the impact of the pandemic daily, relating that we are concerned with being able to maintain appropriate staffing in buildings. He reported that we are monitoring the COVID tracker, new guidelines, and staff vaccination rates. At the end of the winter break, we were contacted by DESE to pick up test kits for our staff. The district held an event at the Center School on Sunday morning, having 225 staff stop by to pick up test kits. This helped to determine the number of staff that may not be able to work on the Monday after vacation. Mr. Malone thanked Police Chief Columbus for his support to the district relating to the Tik Tok challenge a couple of weeks ago. Mr. Malone commented on snow days relating that there is no option of Remote Learning on snow days; we will have traditional snow days. He reported that the Town-wide PAC met on Monday, January 10th.

Mr. Malone responded to questions and comments from the School Committee.

Ms. Theriault-Regan, Assistant Superintendent

Ms. Regan reported that the COVID Dashboard contains a lot of useful information; it can be found on the district website. She offered *Hats Off!* to the school nurses for all their hard work and reminded parents of the COVID protocols. She reported that the district is still in need of substitutes; the application process is on the district website. ACCESS testing for English Language Learners is currently underway; DESE has extended the window until March 4th. DESE allowed staff to hold an Emergency Licensure during COVID relating that due to the ongoing impact of COVID, DESE is extending the expiration date to June 30, 2023, although there are a few exceptions to the expiration date. She commented that this has been helpful as staffing is challenging. Ms. Regan provided a Center School relocation update reporting that we need to be out of the Center School before April 1st. Superintendent Malone, Mr. Stamp, Mr. Libby and herself are planning the move. She added that some of the Food Services, Math Coaches, and the IT department have already relocated to the high school; the Special Education Department will be moving to the high school during the February break. The remainder of the Center School staff will move to the center Fire Station. The district will publish a staff directory once all the moves have been completed.

Mr. Sullivan inquired into the staff holding an Emergency License and if they are working towards a permanent license. He asked Ms. Regan to keep parents up-to-date on the move and staffing.

Mr. Libby, Business Manager

The FY23 Budget will be posted on the district website by tomorrow.

CONSENT AGENDA

Mr. Sullivan asked if any member had questions and/or comments on any item on the Consent Agenda. Mr. Sullivan asked what is the pleasure of the Board, asking for a motion to approve the Consent Agenda. Ms. Garabedian moved, seconded by Mr. Parsons, to approve the Consent Agenda as presented. Ms. Demos reported that the School Committee has agreed to move forward with an Interim Superintendent. Ms. Demos moved to appoint Ms. Regan for the position of Interim Superintendent of the Tewksbury Public Schools for the remainder of the school year and to the end of the Superintendent's contract, currently held by Mr. Malone, effective June 30, 2022. Mr. Parsons seconded the motion.

Roll Call Vote - Voting Yes: Ms. Demos, Ms. Garabedian, Mr. Parsons, and Mr. Sullivan. Unanimous Vote. Motion carried 4-0.

Ms. Regan agreed to serve as Interim Superintendent through June 30, 2022. Mr. Sullivan asked Ms. Regan if she would run for the position of Superintendent of Schools. Ms. Regan remarked that she will have a lot to focus on during the next four months but she would be interested.

Mr. Sullivan commented that the next step is to conduct a Superintendent Search. This is a community decision; ultimately it is the decision of the School Committee. He reported he met with Mr. Montuori, Mr. Libby and Mr. Malone relating that we would need to do a Request for Proposal (RFP) in order to secure a company to help us with the process. We would need to include additional meetings and to develop focus groups and surveys in order to get input.

Mr. Sullivan motioned to authorize Mr. Libby to work with the Town to develop an RFP to solicit firms that provide consultation services for the purpose of a Superintendent Search. Mr. Parsons seconded the motion.

Roll Call Vote - Voting Yes: Ms. Demos, Ms. Garabedian, Mr. Parsons, and Mr. Sullivan. Unanimous Vote. Motion carried 4-0.

Mr. Libby will work with the Town and post the position. Mr. Sullivan commented that we have to decide the characteristics we would want in a new superintendent and look at the goals set by past superintendents. Mr. Malone remarked that the agency/consultant will help to attract the people we want. They will conduct training for the Screening Committee and Interview Committee and structure a pathway for us to come to an outcome that will be what the district would want.

SCHOOL COMMITTEE MATTERS OF INTEREST

Mr. Sullivan congratulated all the students we honored tonight. Ms. Demos announced that she will not be running for re-election. Mr. Sullivan thanked Superintendent Malone and Mr. Weir for making this all happen; it is good for students to know that there are other opportunities out there.
