FY26 Tewksbury Public Schools Budget

January 22, 2025

District Strategy

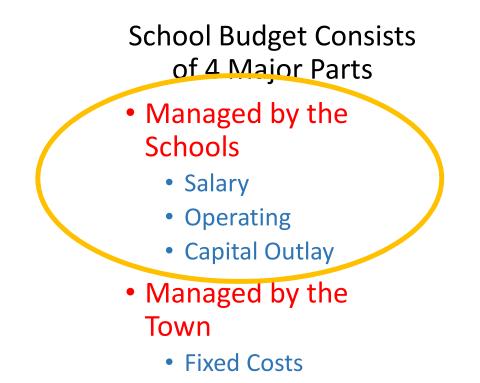

The Tewksbury Public Schools Community believes that our educational program will reflect our collective Vision of a Learner. Our consistent observable growth among our students and staff will be evident in the achievement of academic, social, and emotional success in school and far beyond.

Theory of Action

When the Tewksbury Public Schools prioritizes a Vision of a Learner that focuses on creative problem solving, collaboration, and effective communication, then all students will experience innovative, inclusive, equitable, and student-centered instruction prioritizing academic, social and emotional positive outcomes.

School Budget Consists of 4 Major Parts

- Managed by the Schools
 - Salary
 - Operating
 - Capital Outlay
- Managed/Shared with the Town
 - Fixed Costs

- The School Budget process is a FLUID one
- It reflects the plan of the District to best address its prioritized needs and goals, using the resources available suited for each need <u>at that</u> <u>moment in time</u>
 - These needs are CONSTANTLY changing
 - These resources are CONSTANTLY changing
- Our budget will change to reflect these changes between now and Final Approval

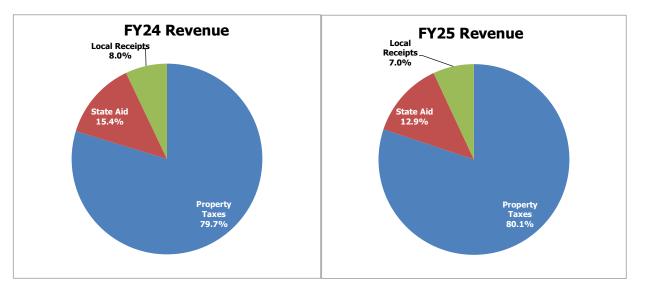

- The School Budget is part of the overall <u>**TOWN Budget**</u> for the Town of Tewksbury. It is reviewed, and recommended for approval to the Town Manager and the Finance Committee by the School Committee
- The Finance Committee then recommends approval of a TOWN budget to Town Meeting in May each year. When Town Meeting approves the budget, funds are appropriated for each Town Department, including Schools.
- <u>The final, actual approval of funds for School and ALL Departments rests</u> with the residents who attend Town Meeting

FY26 School Department Budget NEXT STEPS

Continued Discussions with Building Principals, Department Leaders, Elected Officials, Town Officials, teachers, parents, students and community members, to refine and react to ever changing needs.

As needs and/or resources change, the School Department will be refining our budget, which represents a snapshot in time of the current needs in the district. Our budget, resources and needs are constantly being updated and analyzed for the best use of available and appropriate resources.

This process will continue from now through May Town Meeting and may (in fact is likely to) produce some movement within our overall budget
