  - Salary

- The School Budget process is a FLUID one
- It reflects the plan of the District to best address its prioritized needs and goals, using the resources available suited for each need <u>at that</u> moment in time
  - These needs are CONSTANTLY changing
  - These resources are CONSTANTLY changing
- Our budget will change to reflect these changes between now and Final Approval

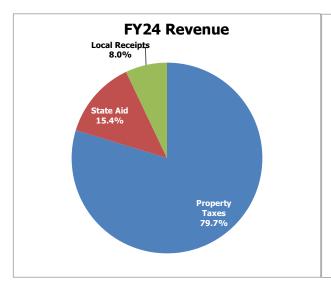

- The School Budget is part of the overall **TOWN Budget** for the Town of Tewksbury. It is reviewed, and recommended for approval to the Town Manager and the Finance Committee by the School Committee
- The Finance Committee then recommends approval of a TOWN budget to Town Meeting in May each year. When Town Meeting approves the budget, funds are appropriated for each Town Department, including Schools.

#### **NEXT STEPS**

Continued Discussions with Building Principals, Department Leaders, Elected Officials, Town Officials, teachers, parents, students and community members, to refine and react to ever changing needs.

As needs and/or resources change, the School Department will be refining our budget, which represents a snapshot in time of the current needs in the district. Our budget, resources and needs are constantly being updated and analyzed for the best use of available and appropriate resources.

This process will continue from now through May Town Meeting and may (in fact is likely to) produce some movement within our overall budget
